Core Classes

- SPAN 201 Intermediate Spanish I
- SPAN 202 Intermediate Spanish II
- SPAN 211 Intermediate Oral Practice I
- SPAN 301 Spanish Conversation & Composition I
- SPAN 302 Spanish Conversation & Composition II

ELIZABETH SORENSEN
SPANISH MAJOR

“While studying Spanish at BHSU, I had the wonderful opportunity of studying abroad in Seville, Spain. Despite my worries about living with a host family that didn’t speak English and taking high-level courses taught in Spanish, I found that my time at BHSU had more than prepared me for life abroad. The small class sizes and wonderful faculty in the Spanish program here allowed for a truly interactive learning experience. I had spent so much time having Spanish conversations in class that when I got to Spain, I didn’t have to worry about whether or not I could understand or be understood; I was able to slip right into conversation with people and fully immerse myself in the Spanish culture. Studying abroad was a life-changing experience and I owe that completely to my education at BHSU.”

GET INVOLVED

STUDY ABROAD

Travel and study abroad in Spain or Latin America

SPANISH CLUB

Our club offers a variety of fun activities during the semester such as cooking Hispanic food, creating handcrafts, and teaching Spanish at West Elementary school.

INTERNSHIPS

A great opportunity to use your Spanish in context and earn credits at local schools, banks, and hospitals.

SPANISH LANGUAGE TUTOR

A Teaching Assistant (TA) is available at the BHSU campus to help in your learning process.

CLEP TEST:

Black Hills State University will allow you to earn CLEP credits through SPAN 202 if you already know some Spanish. You can arrange to take the test through BHSU Testing Services.
