# PLAN A CAREER AS A PHYSICIAN ASSISTANT

DEGREE OPTIONS

## PREPARE FOR YOUR FUTURE

Being a physician's assistant can be a very rewarding career. To be able to enter a Physician Assistant program you must first complete a four year bachelor's degree. BHSU offers innovative undergraduate research opportunities and faculty mentoring to help you achieve your goal of becoming a Physician Assistant. These courses will help you gain entry to the school of choice and help you prepare for the certification tests necessary to become a physician's assistant.
