PLAN A CAREER AS A MEDICINE

DEGREE OPTIONS

SCRUBS CAMP

PREPARE FOR YOUR FUTURE

Entering a career as a physician is a difficult, but rewarding task. Your first step is to earn a bachelor's degree from BHSU. We have created a recommended program of study that will make your journey to becoming a physician a reality.

BHSU students have the opportunity for interactive educational experiences and one-on-one mentoring with science faculty. Faculty meet with students as they prepare for the Medical College Admission Test (MCAT) and the medical school application process. The research experience and extracurricular learning experiences at BHSU give our students a competitive edge.

COURSES AVAILABLE

- **BIOL 151** - General Biology I & 151L Lab
- **BIOL 153** - General Biology II & 153L Lab
- **BIOL 325** - Physiology & 325L Lab
- **BIOL 331** - Microbiology & 331 L 381L Lab
- **BIOL 381** - Vertebrate Anatomy & 331 L 381L Lab
- **CHEM 112** - General Chemistry I & 112L Lab
- **CHEM 114** - General Chemistry II & 114L Lab
- **CHEM 326** - Organic Chemistry I & 326L Lab
- **CHEM 328** - Organic Chemistry II & 328L Lab
- **CHEM 464** - Biochemistry I & 464L Lab
- **MATH 114** - College Algebra
- **MATH 121** - Survey of Calculus
- **PHYS 111** - Introduction to Physics I & 111L Lab
- **PHYS 113** - Introduction to Physics II & 113L Lab
