### South Dakota Indian Studies class via hybrid delivery

We have an exciting opportunity this year! One of the options for the South Dakota Indian Studies class is available in Rapid City on one Saturday each month of the spring semester - January 12, February 9, March 9, and April 13.

If you would like to switch from your already registered online section, to this face-to-face section, all you have to do is hit reply and tell me you'd like to make the switch. I'll take care of the rest!

If the Saturday option doesn't work, but, you'd still like a face-to-face option, there are also seats available in the Thursday, 4-7pm section at the Rapid City campus.

Thank you,

Johanna Best

### Add a Creative Writing Minor today!

Whether you are an aspiring writer--or you'd like to make yourself more competitive in the professional world--now is the time to add a creative writing minor at BH.

This minor is a supplement for ANY major. The IBM 2010 Global CEO Study, which surveyed more than 1500 CEOs from 60 countries and 33 industries, found that "creativity was selected as the most crucial factor for future success." Today, CEOs are confronted with massive shifts in the marketplace that, according to the study, can be overcome by instilling 'creativity' throughout an organization." For more information on the study, visit <https://www-03.ibm.com/press/us/en/pressrelease/31670.wss>.

For more information on the creative writing minor, contact Dr. Courtney Huse-Wika at [Courtney.HuseWika@BHSU.edu](mailto:Courtney.HuseWika@BHSU.edu) or Meier Hall 311.

### **Geek Speak Kickoff!**

Please join us for our spring Geek Speak kickoff on Thursday, January 10 at 4:00 p.m. in Jonas 110 with *Professor Desy Schoenewies: Drawings from China: Experiences from the BHSU/Baoding University Partnership BHSU Artists at Baoding University*

Professor Desy Schoenewies will speak about the experiences of taking 8 students to Baoding University, our partner university in China for over three weeks of collaborative art-making. At Baoding, BHSU students exhibited paintings from their traditional Chinese painting classes as well as immersed themselves into many Chinese cultural experiences such as martial arts, traditional paper cutting, porcelain design, language courses, and more. A comic book created by BHSU student artists based on their experiences abroad was created during this experience. This geek speak will debut the comic book as well as retell the stories from the students who participated, offering their perspectives on what it was like to live and learn at a Chinese university.

*Next Week's Preview: On January 17, join us for an afternoon of poetry with Montana's former Poet Laureate, Tami Haaland. Same place, same time.*

Black Hills State University alumni, including former track & field and cross-country athletes, are encouraged to participate in the 27th annual Alumni Mile weekend Jan. 25 and 26 in Spearfish.

### **[Comic book to debut at BHSU Geek Speak on Chinese partnership](#)**

The first Black Hills State University Geek Speak lecture of 2019 will include the debut of a comic book created by BHSU student artists based on their experience studying abroad in China. Desy Schoenewies, associate professor of art, will present "Drawings from China: Experiences from the BHSU/Baoding University Partnership" Thursday, Jan. 10 at 4 p.m. in Jonas Hall 110.

### **[Lakota language internship to aid BHSU student's career goals](#)**

Her Lakota name, Ožánžanj Taiŋ Wíj, means "Appearing Light Woman." It's easy to see why Black Hills State University student Koty Janis was given this name. She has a special light and it's something she aims to use to inspire others in her future profession. Koty is studying psychology and American Indian studies at BHSU in Spearfish. She plans to become a school counselor back home on the Pine Ridge Indian Reservation.

### Tax Season - Phishing and Phone Scams

It's tax season!! You know what that means... Yes, more phishing emails and phone scams are making the rounds attempting to lure you or even scare you into divulging your

personal, financial, and confidential information.

We block several thousand phishing emails daily, but there are a few that occasionally make it through the filters, so it is important to always stay alert!

If you receive a phishing message, please do not respond to the message, do not click on any links, and delete it from your mailbox.

If you receive a phone call from a threatening or even a “nice” person or automated message identifying themselves as the IRS or other tax agency demanding immediate payment, credit/debit card information or other suspicious information, you have the power to hang up the phone.

A few of our faculty and staff members recently received an email asking them to update and validate their IRS E-file information. The messages they received are phishing messages. Thank you to those of you that notified us directly or through the use of the Phish Alert Button of the emails you received.

### **University Campus Alert System - Registration Required**

Your University Campus Alert System, Everbridge, provides critical notification services during emergencies and closures. During an emergency, you will receive notifications through this service.

Please take a few moments to register and provide your current contact information. If your contact information has already been entered into the system please verify that it is correct. To get started please visit <https://campusalert.sdbor.edu/?univ=bhsu>, where you will be prompted to log in with your BHSU email address and password.

If you receive more than one registration email you only need to register once. You will continue to receive this notification monthly if you have not registered and are active in the University Campus Alert System.

Thank you for your cooperation.

## **Design Basics: Photoshop, InDesign, and Illustrator**

Adobe® InDesign®, Photoshop®, and Illustrator® are a robust set of tools that can answer any number of design needs. However, for newer users, it can be confusing in terms of when to use what program for which project.

Join Gina Gibson, Associate Professor of Digital Media at Black Hills State University, in this hands-on, full-day workshop, as you dive into each of these design tools.

Gina will teach you how to integrate Adobe® Photoshop®, Illustrator® and InDesign® into a more streamlined and easy to follow workflow, as well as:

- Terms and techniques of graphic design
- When and why to use Photoshop®, Illustrator®, and InDesign®
- How to create shapes and lines in Illustrator®
- Manipulating images and basic color correction and determining image quality in Photoshop®
- How to build multiple pages and layouts and how to package files in InDesign®

Participants will be able to follow right along with Gina step-by-step in the Mac Lab at BHSU-Rapid City campus.

Learn how these design tools can help you empower your design sense, work more efficiently together, and save you time.

### Student Support Services January Student of the Month

Angie McDonnell is a double major studying Mass Communications with an emphasis in Photography and Professional Accountancy, and is minoring in Entrepreneurial Studies. She first learned about the program during registration day. She later applied to the program, and has since been very involved with it. She is even the Vice President of the TRIO Club. Angie plans to use her degree to work with documentary, and sports photography. She also hopes to work in the accounting field serving the agriculture industry. Student Support Services Advisor Summer DiGioia has this to say about Angie, "Angie is a very dedicated college student who is not only a positive and active participant on campus but has been such a wonderful addition to Student Support Services. Her hard work and dedication is recognized not only by us but her fellow students as a peer mentor and tutor as well. Angie is a pleasure to work with because she puts forth the effort and positivity in all she does and always has a smile on her face! We are honored to have her in our program." Congratulations Angie!

### Geek Speak: The Matrix Within: from Insomnia to Lucidity, the Powers of Sleep and Dreaming

Please join us for this week's Geek Speak on Thursday at 4:00 p.m. in Jonas 110: Tracy Hunt and Chelsey Groseclose: "The Matrix Within: from Insomnia to Lucidity, the Powers of Sleep and Dreaming"

If you could do or have anything at all, what would it be? The ability to walk through walls or bound over tall buildings? Taste fire? Have one night with your favorite celebrity? Or something deeper and more meaningful: A chance to make friends with your inner demons, curtail their efforts to sabotage your happiness? Perhaps a way to engage your deepest self in deep psychological healing or self- discovery? There is some pretty strong evidence that this can all be achieved through lucid dreaming. Additionally, the skillset to do so is something most people can learn and facilitate. In this talk we will dive deep into these mysteries and discuss some practical tools for accessing the power of your dreams. We will also talk about the inherent beauty and necessity of good sleep hygiene, what happens when this is disrupted and what you can do to promote a healthy relationship with your nightlife.

### Career Prep Wednesdays

Join the Recruitment and Retention Specialists for Career Prep Wednesdays Jan. 30th, Feb. 6th, and Feb. 13th from 4-5:30pm in Meier Hall 206. These workshops will help get you prepared for the upcoming BHSU Career Fair on February 26th.

Jan. 30th - Writing Tips Resumes & Cover letters, Job search engines

We will focus on writing tips for Resumes, cover letters, & job search engines in the first session. Please bring a resume if you have one to the event - we will help you start one even if you don't. We will also go over Cover Letters and job search engines so you know where to look for jobs and how to apply for them.

Feb. 6th - Soft Skills, Networking, Interviews, Dress , Social Media & LinkedIn

In our second workshop we will be focusing on Soft Skills needed for interviewing and being successful in the workplace. We will also touch on how to network at an event like the Career Fair. Students will create a pitch that they can use to introduce themselves to employers and learn about interviewing tips, dress and professional social media.

Feb. 13th - RESUMANIA!

Bring your resume for review! We will spend the workshop going over resumes.

Please RSVP for a time slot here:

Charles H. Trapp Jr. | Anomia, a Retrospective

November 28 - January 25, Reception, Thursday, January 24th, 5-7PM

Please join the Fine Arts Faculty this Thursday, for a closing reception of the exhibition entitled Anomia. This retrospective exhibition highlights the mixed media painting work of late Charles Trapp. Charles H Trapp Jr. was educated at the University of Texas and the Rhode Island School of Design. His work was represented by Ariel Gallery in the Soho District of Manhattan, NY. This former Rapid City resident left behind a body of work which illustrates his profound sense of special relationships, contrasting surface texture and appropriated images that imbue these paintings with a socially electric charge. Light refreshments and sweet treats will be served commemorating this wonderful exhibit, Thursday January 24th, 5-7PM

Date: Saturday, February 9, 2019

Time: 9:00 AM - 4:00 PM (break for lunch on your own)

Location: Room 103, Black Hills State University-Rapid City (4300 Cheyenne Boulevard, Rapid City)

Fee: \$199

Adobe® InDesign®, Photoshop®, and Illustrator® are a robust set of tools that can answer any number of design needs. However, for newer users, it can be confusing in terms of when to use what program for which project.

Join Gina Gibson, Associate Professor of Digital Media at Black Hills State University, in this hands-on, full-day workshop, as you dive into each of these design tools.

Gina will teach you how to integrate Adobe® Photoshop®, Illustrator® and InDesign® into a more streamlined and easy to follow workflow, as well as:

- Terms and techniques of graphic design
- When and why to use Photoshop®, Illustrator®, and InDesign®
- How to create shapes and lines in Illustrator®
- Manipulating images and basic color correction and determining image quality in Photoshop®
- How to build multiple pages and layouts and how to package files in InDesign®

Participants will be able to follow right along with Gina step-by-step in the Mac Lab at BHSU-Rapid City campus.

Learn how these design tools can help you empower your design sense, work more efficiently together, and save you time.

### **Career Prep Wednesdays**

Join the Recruitment and Retention Specialists for Career Prep Wednesdays Jan. 30th, Feb. 6th, and Feb. 13th from 4-5:30pm in Meier Hall 206.

These workshops will help get you prepared for the upcoming BHSU Career Fair on February 26th.

Jan. 30th - Writing Tips Resumes & Cover letters, Job search engines

We will focus on writing tips for Resumes, cover letters, & job search engines in the first session. Please bring a resume if you have one to the event - we will help you start one even if you don't. We will also go over Cover Letters and job search engines so you know where to look for jobs and how to apply for them.

Feb. 6th - Soft Skills, Networking, Interviews, Dress , Social Media & LinkedIn

In our second workshop we will be focusing on Soft Skills needed for interviewing and being successful in the workplace. We will also touch on how to network at an event like the Career Fair. Students will create a pitch that they can use to introduce themselves to employers and learn about interviewing tips, dress and professional social media.

Feb. 13th - RESUMANIA!

Bring your resume for review! We will spend the workshop going over resumes.

Please RSVP for a time slot here:

### Upcoming Email Subject Line Changes

Beginning today Network and Computer Services will begin prepending subject lines coming from senders outside of BHSU with the tag [EXT]. This change will be rolled out to all users over the next week.

Prepending the subject line has become a common practice with many organizations and will allow you to visibly identify messages from external senders. Most importantly, this will help determine if suspicious emails saying they are coming from BHSU personnel are really coming from BHSU personnel. For instance, scam messages that say they are coming from a university administrator, or your supervisor, but that could be coming from a fraudster.

If you have any questions please reach out to us by emailing [BHSUhelpdesk@BHSU.edu](mailto:BHSUhelpdesk@BHSU.edu), or by calling 605.642.6580.

### **Twisted Fibers: Felt as Art, Technique, and Social Critique” (Geek Speak)**

Please join us for this week's Geek Speak: Thursday at 4:00 p.m. in Jonas 110: Altman Studeny, Carrie Gray-Wood, Tim Steckline: “Twisted Fibers: Felt as Art, Technique, and Social Critique”

This is a farrago of a Geek Speak, spun out from the conceit that a lowly, ancient clump of wet matted fibers could ascend to the status of a blanket term for human struggle, survival, and even transcendence.

How is felt made? How is felt different from textiles? What are its special properties? Where did it originate? Why did the German artist Joseph Beuys find felt so suggestive that he adopted it as a favorite material in his work? How does felt's power to insulate inculcate lessons in social, spiritual, and aesthetic insights? Why did the French philosopher Gilles Deleuze find in felt a model for a future human social fabric? What is the role of randomness in felt? These questions and others will entwine the efforts of an artist, a geographer, and a rhetorician to untangle, or to re-entangle, the twisted fibers of felt, the “nonwoven fabric.” Come warm to the subject with us.

### International Service Learning Trip 2019

In two weeks, a group of BHSU students along with staff will be traveling to South Africa and Botswana for the 2019 International Service Learning trip. Students will be working with high school students in Botswana and a child care center in Soweto, South Africa. Last year, the students raised funds for the child care center for in-door toilets and a power generator. We are asking for donations again this year to help the child care center with basic necessities for the children. Any amount will be greatly appreciated. Your monetary donation can be dropped off in the Student Affairs office, Woodburn 214.

### **Student Support Services February Student of the Month**

Dayna Dickson is a human services, and sociology double major with an emphasis in justice studies. She has also received a certificate in criminal justice. Dayna does not have one home, but many, as her family moved often. She graduated high school in Cache, Oklahoma. She was introduced to the TRIO program thanks to the previous program director Susan Hupp. She believes TRIO helped her believe in herself, and become successful in her academic life and beyond. Dayna has not officially finalized her plans for after graduation, but her goal is to help others in the best way she can, and the rest will follow. SSS English Specialist Tom Stulken nominated Dayna for this award. When asked about Dayna Tom said, "Dayna Dickson works harder than most middle aged people I know, but she understands her limitations and knows when it is time to ask for help. She is adaptable, honest, and extremely capable of handling just about anything both life and college have to throw at her and it has been a rewarding opportunity to work with her over the past several years." Congrats Dayna!

### **Geek Speak: Secrets and Unconventional uses of Microsoft Office**

Please join us on Thursday, February 14 at 4:00 p.m. in Jonas 110 for this week's Geek Speak: Jeffrey Winter: "Secrets and Unconventional uses of Microsoft Office"

Everyone who uses a computer has most likely used some kind of Microsoft Office product (Word, Excel, PowerPoint, etc...) but not very many are aware of what is actually possible with Microsoft Office. This talk will look into some ideas and projects that were made with Microsoft Office. The list of projects includes, but is not limited to art, movies, games, and viruses. Although most of these projects in this talk can be made with more conventional software, they are still impressive and worth studying. We will briefly look

at how you too can make by using various tools in ways you might not have believed to be possible as well as some tools you were unaware of. Although some of these projects do involve some coding and use of macros, no programming knowledge is required for understanding this talk.

Note: Jeffrey Winter does not have any Microsoft certifications and is not paid in any way to promote Microsoft Office.

## News Releases

### [Unconventional uses for practical tools inspire Geek Speak at BHSU](#)

Although Microsoft Office applications like Excel provide a conventional way to crunch numbers, math instructor Jeffrey Winter aims to spark conversation on an unpredicted side of these applications - including art, videos, and games - through his Geek Speak lecture on the Black Hills State University campus.

### [BHSU receives highest standard in business program accreditation through AACSB](#)

Black Hills State University received an extension of accreditation by the Association to Advance Collegiate Schools of Business, AACSB International. This accreditation is earned by only five percent of the world's business schools offering degrees at the bachelor level or higher.

### [Black Hills State University-Rapid City hosting Speaker Series for community](#)

Providing an opportunity for Rapid City-area students and community members to learn about important social topics, Black Hills State University-Rapid City is hosting a Speaker Series with presentations on alternating Mondays from 6-7:30 p.m. in Room 112.

### **"A Long Way to Go: Examining Why Sexual Assault Convictions Are So Rare"**

Interested in how the legal system operates? More interested in the flaws and blind-spots prevalent throughout our criminal justice system? Even more interested in how psychology plays a role in the criminal justice system? Join the Psychology Department in a riveting lecture and discussion addressing the current issues and barriers to seeking justice for victims and the prosecution of sexual assault crimes across our country.

Who: Dr. Twila A. Wingrove, JD, PhD

When: **February 21, 2019 from 4pm to 5pm**

Where: Jonas Academic 305

Dr. Twila A. Wingrove, JD, PhD, will present a lecture on the prosecution of sexual assault crimes and will discuss the potential reasons for why sexual assault convictions are difficult to secure. Dr. Wingrove's work investigates the manner to which psychological principles can be used to understand and improve our criminal justice

system.

Dr. Wingrove is an Associate Professor of Psychology at Appalachian State University. She also serves as the Experimental Psychology Graduate Program Director and Director of Research Data Analysis at Appalachian State University.

### **Geek Speak: Why Our Mascot is Not a Bee—"The Frustrations of a BHSU Entomologist"**

Please join us on **Thursday, February 21 at 4:00 p.m.** for this week's Geek Speak hosted by Dr. Holly Downing: "Why Our Mascot is Not a Bee—The Frustrations of a BHSU Entomologist"

To the untrained eye, bees and wasps (and some flies) can look very similar. There are, however, major differences between these two groups that include body structures, social behavior, and ecology. This talk will describe some of those differences, while also describing fascinating aspects of behavior and the ecological and economic importance of these groups. An extra perk to attending this talk: you will learn the difference between males and females. Armed with this geekish knowledge you'll be able to wow friends and family by holding and petting these insects without fear of being stung.

### **Geek Speak: It's 2019... how 'Blade Runner' predicted Elon Musk, the Simulation, and the coming war with A.I.**

Please join us this **Thursday, February 28, at 4:00 p.m.** in Jonas 110 for Geek Speak! Hosted by Dr. Max Marc, this week's talk is titled, "It's 2019... how 'Blade Runner' predicted Elon Musk, the Simulation, and the coming war with A.I."

"Blade Runner" is set in 2019. It features an Elon Musk-like figure who successfully colonizes other planets. It hints at the notion that we might be living in a simulation. And it predicts a future where humans go to war with A.I. (artificial intelligence). All of this is becoming increasingly likely. Coincidence? I think not.

### **Call for Student Writers**

Do you have students who are interested in writing, research, history, or generally helping out their community? The Veteran's Legacy Program needs these students! The VLP is looking for students to help us help families of deceased veterans honor their loved ones. Whether it is connecting with a family and writing a biography, or doing research with one of the local historic cemeteries, these student volunteers will be creating public history materials in order to share these important stories. If you know of students who would be interested, please have them contact Courtney Pierce at [Courtney.Pierce@BHSU.edu](mailto:Courtney.Pierce@BHSU.edu)

### **Women In Networking: Celebrating Women In History**

Join us for our March Women In Networking meeting on Tuesday, March 12 from 12:00 pm to 1:00 pm. This month's luncheon will be held at the Spearfish Holiday Inn, '76 Room.

Kelly Kirk, Instructor of History at Black Hills State University, will be our Spotlight Speaker for a special presentation. The theme for March is Women's History Month 2019 is "Visionary Women: Champions of Peace & Nonviolence." The theme honors "women who have led efforts to end war, violence, and injustice and pioneered the use of nonviolence to change society." Black Hills State University History Professor, Kelly Kirk, is going to highlight a few legendary women from the early days in the Black Hills who exemplified these characteristics. We will hear stories of western South Dakota women who were social entrepreneurs doing much of their work behind the scenes but getting things done through collaboration, sheer determination and grit. Prepare to leave inspired!

Women In Networking is an organization for women in business that provides an opportunity to widen their professional networks and promote your business and network with other women. WIN connects women, familiarizes participants with other businesses and/or upcoming events, and supports the SD CEO Women's Business Center.

Early Bird Fee: \$15 (expires on March 7)

Fee: \$20

### **Geek Speak: “Manufacturing (Real)ity”**

Please join us on **Thursday, March 14** for this week's Geek Speak! 4:00 p.m. in Jonas 110: Dr. Jarrett Moore: “Manufacturing (Real)ity”

This lecture will explore the Foucauldian concept of power and how our discourse(s) serve to create the reality in which we live. Using critical discourse analysis, Foucault’s ideas will be outlined and applied to several modern examples of how media and political narratives serve certain groups of people and lead to hegemony of ideas by setting the context of the discourse.

## ANNOUNCEMENTS

### **BHSU Mission Statement - Revisited**

BHSU is constantly in a state of renewal and reflection. In 2014-15 BHSU revisited the strategic plan, setting out an agenda to continue to manage enrollment and retention, strengthen undergraduate research and faculty mentorship, strengthen accreditations, develop new degrees, and address civic engagement. Since that time many accomplishments have been reached, including three major accreditations: HLC, AACSB, and CAEP.

The campus is now at another crossroads that requires the community to reflect once again on how best to describe the university's mission and vision.

Below is a DRAFT mission statement. It is presented by the University's Strategic Initiatives Committee, which thoughtfully considered and discussed how to present what BHSU does as a university through the mission statement. The members are listed below.

BHSU has essentially three published missions: the legislative version and two university versions that have evolved over the years. This DRAFT is intended to present one university mission (replacing the two existing university versions). The legislative mission shall remain untouched.

Please reflect upon the work of the Strategic Initiatives Committee and offer your thoughts on the DRAFT mission statement directly to the President at [Tom.Jackson@BHSU.edu](mailto:Tom.Jackson@BHSU.edu). Please try and do so prior to March 21, 2019.

## **BHSU Mission Statement (Draft under consideration 2-26-19)**

Black Hills State University is a dynamic learning environment that fosters critical thinking and creative expression. We inspire students to engage in their global communities while honoring the spirit of the Black Hills.

### **Current Mission Statement - Version #1**

Black Hills State University is a master's level university that promotes excellence in teaching and learning; supports research, creative and scholarly activities and provides service to the state, region, nation, and global community. BHSU provides innovative, high-quality undergraduate (associate and baccalaureate) programs in the arts, humanities, education, behavioral sciences, mathematics, social sciences, natural sciences, business and technology as well as selected disciplines of strength at the graduate level. Black Hills State is the only comprehensive University in western South Dakota. Strategic Plan [www.BHSU.edu/strategicplan](http://www.BHSU.edu/strategicplan)

### **Current Mission Statement - Version #2**

The legislature established Black Hills State University as a liberal arts university to meet the needs of the State and region by providing undergraduate and graduate programs. The Board implemented SDCL 13-59-1 by authorizing undergraduate and graduate programs in the liberal arts and sciences and in professional education, to promote excellence in teaching and learning, to support research, scholarly and creative activities, and to provide service to the State of South Dakota and the region. Black Hills State University is the only multipurpose university in Western South Dakota.

### **Current Legislative Mission Statement - #3**

Black Hills State University, SDCL 13-59-1 The primary purpose of Northern State University, at Aberdeen in Brown County, and Black Hills State University, at Spearfish in Lawrence County, is the preparation of elementary and secondary teachers, and a secondary purpose is to offer pre-professional, one-year and two-year terminal and junior college programs. Four-year degrees other than in education and graduate work may be authorized by the Board of Regents.

### **Current Vision Statement (established 2014)**

Black Hills State University will be the region's leading university in undergraduate research and sustainability whose graduates will enact global change through leadership, stewardship, and scholarship.

### **Black Hills State University Graduate Exhibit**

WHAT: Black Hills State University Graduate Exhibit

EXHIBIT DATES: 03.15.2019- 04.27.2019

ARTISTS' RECEPTION: Friday, March 15, 5-7pm | Art Professor's Talk 5:45pm

WHERE: Sen. Stan Adelstein & Lynda K. Clark Gallery | Dahl Arts Center

WHY: Bringing ART + PEOPLE together

The Rapid City Arts Council (RCAC) is pleased to announce Black Hills State University Graduate Exhibit. The show will be located in the Sen. Stan Adelstein & Lynda K. Clark Gallery of the Dahl Arts Center and will run from Friday, March 15, through Saturday, April 27. As part of the show, the RCAC will hold an opening reception for the Black Hills State University Graduating Students on Friday, March 15, from 5 - 7pm.

Works in this exhibition feature BHSU seniors who have graduated in December 2018 or will graduate in May of 2019 with either a Bachelor's of Fine Arts degree with an emphasis in Photography, Graphic Design, and Studio Art, or a Bachelor's of Science Degree in Education for K-12 Art Teaching or Mass Communication. The exhibition will feature a variety of mediums, techniques, and concentrations as each student is responsible for creating their own personal visual narratives through their bodies of work. The class of 2019 Fine Arts, Art Education, and Mass Communication majors are emerging artists and leaders who are excited to exhibit their capstone pieces at the Dahl Arts Center. This is the 1st year that BHSU has seniors graduating with these degrees exhibiting art at the Dahl Arts Center.

This exhibit is sponsored by BHSU College Liberal Arts Fund, Desy Schoenewies, the BHSU Photography Programs, South Dakota Arts Council and the Rapid City Arts Council.

### **BHSU Mission Statement - Revisited**

BHSU is constantly in a state of renewal and reflection. In 2014-15 BHSU revisited the strategic plan, setting out an agenda to continue to manage enrollment and retention, strengthen undergraduate research and faculty mentorship, strengthen accreditations, develop new degrees, and address civic engagement. Since that time many accomplishments have been reached, including three major accreditations: HLC, AACSB, and CAEP.

The campus is now at another crossroads that requires the community to reflect once again on how best to describe the university's mission and vision.

Below is a DRAFT mission statement. It is presented by the University's Strategic Initiatives Committee, which thoughtfully considered and discussed how to present what BHSU does as a university through the mission statement. The members are listed below.

BHSU has essentially three published missions: the legislative version and two university versions that have evolved over the years. This DRAFT is intended to present one university mission (replacing the two existing university versions). The legislative mission shall remain untouched.

Please reflect upon the work of the Strategic Initiatives Committee and offer your thoughts on the DRAFT mission statement directly to the President at [Tom.Jackson@BHSU.edu](mailto:Tom.Jackson@BHSU.edu). Please try and do so prior to March 21, 2019.

### **BHSU Mission Statement (Draft under consideration 2-26-19)**

Black Hills State University is a dynamic learning environment that fosters critical

thinking and creative expression. We inspire students to engage in their global communities while honoring the spirit of the Black Hills.

### **Current Mission Statement - Version #1**

Black Hills State University is a master's level university that promotes excellence in teaching and learning; supports research, creative and scholarly activities and provides service to the state, region, nation, and global community. BHSU provides innovative, high-quality undergraduate (associate and baccalaureate) programs in the arts, humanities, education, behavioral sciences, mathematics, social sciences, natural sciences, business and technology as well as selected disciplines of strength at the graduate level. Black Hills State is the only comprehensive University in western South Dakota. Strategic Plan [www.BHSU.edu/strategicplan](http://www.BHSU.edu/strategicplan)

### **Current Mission Statement - Version #2**

The legislature established Black Hills State University as a liberal arts university to meet the needs of the State and region by providing undergraduate and graduate programs. The Board implemented SDCL 13-59-1 by authorizing undergraduate and graduate programs in the liberal arts and sciences and in professional education, to promote excellence in teaching and learning, to support research, scholarly and creative activities, and to provide service to the State of South Dakota and the region. Black Hills State University is the only multipurpose university in Western South Dakota.

### **Current Legislative Mission Statement - #3**

Black Hills State University, SDCL 13-59-1 The primary purpose of Northern State University, at Aberdeen in Brown County, and Black Hills State University, at Spearfish in Lawrence County, is the preparation of elementary and secondary teachers, and a secondary purpose is to offer pre-professional, one-year and two-year terminal and junior college programs. Four-year degrees other than in education and graduate work may be authorized by the Board of Regents.

### **Current Vision Statement (established 2014)**

Black Hills State University will be the region's leading university in undergraduate research and sustainability whose graduates will enact global change through leadership, stewardship, and scholarship.

### **Poetry and Divergent Thinking**

The Spanish Department at Black Hills State University invites you to join us in “Poetry and Divergent Thinking” presentation, hosted by Dr. Rachid Lamarti from Tamkang University (Taipei), next **Tuesday, April 2, 2019, 3 p.m.** on Club Buzz (lower level at Student Union at BHSU).

Presentation description:

As a rule, art is linked to a producer (the artist) and a product (the work of art). However, the receiver (reader, viewer, etc.) is far (or entirely outside) those coordinates.

The art equation does not take it into account.

However, upon receiving the artistic work, the recipient, to some extent, ends up (re)producing it. By endowing it with meaning, it completes it, that is to say, it realizes it.

Its function in the materialization of art does not go beyond the performance of the artist.

The reader of the poem participates in poetic realization as much as the poet himself. It is not that the poet leaves the poetry half- or unfinished and delegates responsibility for culminating in the reader, but rather, poetry allows the reader to catch glimpses of the poet through his poem.

The reading of the poem will arouse a glimmer in the reader of which will result the same or another poetry.

On the other hand, much of contemporary poetry comes from a use of divergent language.

César Vallejo (A man is looking at a woman, / is looking at her immediately), Oliverio Girondo (between epithelia of dawn or sleepless hangover from growing loneliness), Vicente Huidobro (With your eyes that evoke a piano of smells), etcetera, cultivated the divergence and surprise the reader with his poems.

Nobody, however, can say that they do not write (and very well) in Spanish. The language of these poets starts from subverted conceptual systems, that is to say: divergent.

In the non-native production of Spanish-speaking students, a similar result can sometimes be appreciated, if not a similar principle.

The non-native Spanish of these students starts from conceptual systems that are not subverted, certainly, but equally divergent.

This conference, incardinate in the study of creative ways of reading literature, will expose the virtues of poetic reading in class and how poetry can stimulate the oral and written production of all students and in particularly, Spanish students.

Poetry and Divergent Thinking will be of interest to all public to explore how poem can be seen as indicator that generate creativity (in a broad sense) in our students.

### **Geek Speak: "We're All Musicians: Exploring the Brain-Music Relationship"**

Please join us for this week's Geek Speak at **4:00 p.m. in Jonas 110 on Thursday**: Chris Hahn: "We're All Musicians: Exploring the Brain-Music Relationship"

Why are we all affected by music? Developments in cognitive neuroscience and psychology are helping us to explain what happens in our brain when we listen to music. This Geek Speak will be exploring the connections made between hearing and listening. Earworms, Gestalt theory, and the emotional responses we have to music are all part of the equation.

We may even answer the old question "if a tree falls in the forest and no one is around, does it make a sound?"

### **BHSU Mission Statement - Revisited**

BHSU is constantly in a state of renewal and reflection. In 2014-15 BHSU revisited the strategic plan, setting out an agenda to continue to manage enrollment and retention, strengthen undergraduate research and faculty mentorship, strengthen accreditations, develop new degrees, and address civic engagement. Since that time many accomplishments have been reached, including three major accreditations: HLC, AACSB, and CAEP.

The campus is now at another crossroads that requires the community to reflect once again on how best to describe the university's mission and vision.

Below is a DRAFT mission statement. It is presented by the University's Strategic Initiatives Committee, which thoughtfully considered and discussed how to present what BHSU does as a university through the mission statement. The members are listed below.

BHSU has essentially three published missions: the legislative version and two university versions that have evolved over the years. This DRAFT is intended to present one university mission (replacing the two existing university versions). The legislative mission shall remain untouched.

Please reflect upon the work of the Strategic Initiatives Committee and offer your thoughts on the DRAFT mission statement directly to the President at [Tom.Jackson@BHSU.edu](mailto:Tom.Jackson@BHSU.edu). Please try and do so prior to March 21, 2019.

### **BHSU Mission Statement (Draft under consideration 2-26-19)**

Black Hills State University is a dynamic learning environment that fosters critical

thinking and creative expression. We inspire students to engage in their global communities while honoring the spirit of the Black Hills.

#### **Current Mission Statement - Version #1**

Black Hills State University is a master's level university that promotes excellence in teaching and learning; supports research, creative and scholarly activities and provides service to the state, region, nation, and global community. BHSU provides innovative, high-quality undergraduate (associate and baccalaureate) programs in the arts, humanities, education, behavioral sciences, mathematics, social sciences, natural sciences, business and technology as well as selected disciplines of strength at the graduate level. Black Hills State is the only comprehensive University in western South Dakota. Strategic Plan [www.BHSU.edu/strategicplan](http://www.BHSU.edu/strategicplan)

#### **Current Mission Statement - Version #2**

The legislature established Black Hills State University as a liberal arts university to meet the needs of the State and region by providing undergraduate and graduate programs. The Board implemented SDCL 13-59-1 by authorizing undergraduate and graduate programs in the liberal arts and sciences and in professional education, to promote excellence in teaching and learning, to support research, scholarly and creative activities, and to provide service to the State of South Dakota and the region. Black Hills State University is the only multipurpose university in Western South Dakota.

#### **Current Legislative Mission Statement - #3**

Black Hills State University, SDCL 13-59-1 The primary purpose of Northern State University, at Aberdeen in Brown County, and Black Hills State University, at Spearfish in Lawrence County, is the preparation of elementary and secondary teachers, and a secondary purpose is to offer pre-professional, one-year and two-year terminal and junior college programs. ### **Spearfish Mural Project**

The BHSU Fine Arts program is proud to announce a collaborative project with our local schools and organizations in Spearfish to create a new mural for downtown Spearfish!

This mural will be installed in summer of 2019 and is currently underway!

Mural Project Public Painting Session:

We invite you to the Spearfish Mural Project Public Painting Session **Saturday, March 23rd from 10:00AM-2:00PM** at the Matthews Opera House! You can be a part of the Spearfish Mural Project by painting a small or large section- ANYONE can paint!

The Mural Process:

The mural will be created in twenty-five five-foot-by-ten-foot sections on a lightweight and durable fabric called Polytab.

Each section will be painted in with a 'paint by number' system and delivered to school and community groups with corresponding acrylic paint and a photo of the section for the first layer of the section of the mural.

Once the sections are returned to BHSU, our BHSU fine arts students will come back in and complete details.

By working in this method, children as young as 5 years old or individuals with limited mobility all can participate in painting on our community mural!

This is a process that makes mural creation accessible to the wider Spearfish audience.

Participants include: BHSU Fine arts program, Matthews Opera House, Spearfish K-12 Art programs, Belle Fourche Art programs, Black Hills Art Association, Spearfish Canyon Health and Rehabilitation, and more!

### **Geek Speak: "We're All Musicians: Exploring the Brain-Music Relationship"**

Please join us for this week's Geek Speak at **4:00 p.m. in Jonas 110 on Thursday**: Chris Hahn: "We're All Musicians: Exploring the Brain-Music Relationship"

Why are we all affected by music?

Developments in cognitive neuroscience and psychology are helping us to explain what happens in our brain when we listen to music.

This Geek Speak will be exploring the connections made between hearing and listening. Earworms, Gestalt theory, and the emotional responses we have to music are all part of the equation.

We may even answer the old question "if a tree falls in the forest and no one is around, does it make a sound?"

### **Startup Weekend**

Do you have an idea you'd like to pursue or a problem you'd like to solve but don't know where to start or who to start with?

Techstars Startup Weekend is the place to look for a team, create a prototype of your idea, validate your business idea, and receive feedback from experienced entrepreneurs, all in one weekend.

Because we know that experiences outside of the classroom are just as critical to your education as what you learn from lectures, the BHSU School of Business has committed to cover the cost for any BHSU student who attends all three days of this amazing event. (**Friday 3/22 at 6pm until Sunday 3/24 at 9pm**)

Techstars Startup Weekend is a full weekend long experience.

Your ticket includes:

7 full (and delicious) meals over the course of the weekend

Benefits and discounts from our global partners

One-on-one time with amazing mentors

A new network of developers, designers, and entrepreneurs eager, like you, to change the world.

All the internet and coffee you can consume.

### Drop/Withdraw Deadline for Spring 2019

Drop/Withdraw Deadline for Spring 2019

**Monday, April 1** is the final day on which you can drop a spring 2019 class or withdraw, completely, from the spring 2019 term.

“Dropping” a class at this point in the semester will result in a grade of “WD.”

You will still pay full price for the course. But, WD grades do not affect your GPA.

So, it is a good option to consider if you are sure you cannot complete the class with a passing grade.

Please contact [Johanna.Best@BHSU.edu](mailto:Johanna.Best@BHSU.edu) or (605) 642-6044 with any questions regarding dropping classes or withdrawing from school.

### **Student Support Services March Student of the Month**

Abby Bertram grew up in small town South Dakota in a family of six. Her parents are business owners and they showed her drive and determination. Abby is an exercise science major with a minor in psychology. Abby is currently a junior, but once she graduates she plans to get a master's degree in Athletic training.

Abby came into the TRIO program thanks to prior TRIO Director Susan Hupp who knew Abby before she came to BHSU.

Susan saw Abby would benefit from the program, and now she helps mentor new participants each fall semester.

Student Support Services Director Ashley Kirchner had this to say about Abby, "Abby is a very motivated and intelligent woman.

In her three short years here she has put in over 1700 hours in the training room, which is seventeen times the required 100 hours for admission into a Masters in Athletic Training. This summer Abby has an excellent internship lined up with Sanford Health in Sioux Falls. Her future is bright and we have enjoyed watching her grow. We can't wait to see what her next big accomplishment will be."

Congrats Abby!

### WEAR TEAL TODAY

TODAY is SAAM's Day of Action Wear teal--the color of sexual assault awareness and prevention--today which is SAAM's National Day of Action.

Wearing teal will indicate your support of topics like consent, respect, and supporting survivors.

The teal ribbon symbolizes sexual violence prevention.

The sexual assault statistics in the United States are startling.

Every 98 seconds, a person in the U.S. is sexually assaulted with over half of those assaults going unreported to law enforcement.

About 44% of victims are under the age of 18, many of whom know their attacker.

It is estimated that 1 in 6 women and 1 in 33 men in America will have experienced an attempted or completed rape in their lifetime.

Supporters of sexual assault awareness seek to educate people about the resources available to them if an assault occurs as well as information on how to reduce the risk of an attack.

### April is SAAM

APRIL is SAAM

- In the United States, April is Sexual Assault Awareness Month (SAAM).
- The goal of SAAM is to raise public awareness about sexual violence and educate communities on how to prevent it.
- This year SAAM is celebrating its 18th anniversary with the theme I Ask.

The theme champions the power of asking – whether it be asking to hold someone's hand, for permission to share personal information with others, or if a partner is interested in sex.

I Ask is the statement by which individuals demonstrate that asking for consent is a healthy, normal, and necessary part of everyday interactions.

This year, BHSU and Spearfish are participating in the national SAAM Instagram Photo Contest.

The photo contest engages individuals and organizations in a fun and creative way...here's how to participate:

ü Follow the prevention prompts listed daily in April (on Instagram or look for the teal-colored SAAM Instagram Contest posters).

ü Respond to the prompt with a photo using #30DaysofSAAM and tag @NSVRC and tag

#SAAMatBHSU.

ü Check @NSVRC Instagram's account at the end of each week to see if you are a finalist or winner.

Winners will receive a prize pack of SAAM merchandise.

### **Tri the Pie**

The BHSU Tri the Pie is divided into three slices (disciplines) - SWIM, BIKE and RUN held over three concurrent days.

This format allows athletes to focus in on each leg of the triathlon race, creating an opportunity for a truly dialed in performance.

Held early in the racing season, it is a great way to see how your training is progressing. For athletes new to triathlons it is a chance to experience each discipline in a lower pressure environment- no need to worry about those pesky transitions!

This format also allows single sport athletes to get in on the fun, ensuring plenty of competition on each day of racing.

Sign up for one race, two races, or the WHOLE PIE TRI today!

**750m Strawberry Swim Friday, April 26 5:30 PM**  
**BHSU Pool**

**20K Banana Crème Bike Saturday, April 27 9:00 AM**  
**Spearfish Canyon**

**5K Rhubarb Run Sunday, April 28 9:00 AM**  
**BHSU Young Center**

Pre-register online or by mail by 4/20/19.

Onsite registration will be available at each race starting 1 hour prior to race time for an additional fee.

\$20 per event or \$50 for all three with pre-registration.

## Announcements

### Are You a Blamer?

Victim blaming is a pervasive part of the trauma many sexual assault survivors experience.

Too often when survivors disclose, they are met with a checklist of questions, all centered on their actions instead of the perpetrator's.

Rather than focusing on the inappropriate and illegal conduct of the perpetrator, many will actually blame the victim.

You can stop victim blaming...whether it's adjusting your own behavior, holding a perpetrator responsible, changing your community's attitude towards victim blaming. Check out the poster presentation (today and tomorrow) in the Student Union: 16 Ways to Smash Victim Blaming. April is SAAM...Sexual Assault Awareness Month.

### **TRIO April Student of the Month**

Molly Graesser comes from Gregory, South Dakota and is the second of three girls. Molly's younger sister has Prader Willi Syndrome, so she has spent much of her life trying to understand those who have special needs. Molly is an exercise science major with minors in biology and psychology. After she graduates she plans to attend graduate school for occupational therapy. Thanks to TRIO, Molly feels confident in her ability to succeed. She feels it was the help she needed as a first generation student. Molly has helped TRIO in return by working as a peer assistant and peer tutor in order to help guide the students around her. SSS advisor Summer DiGioia stated, "It is my great pleasure to nominate Molly Graesser for the Student Support Services Student of the Month Award. Working with Molly has always been such a great and positive experience. We are honored to have Molly in our program. Her hard work, perseverance, & dedication is recognized not only by us, but her fellow classmates as a peer mentor and peer tutor." Congratulations Molly!

### **Geek Speak: Community-Building through Gaming + Game Night!**

Join us for this week's Geek Speak on Thursday, April 11 at 4:00 p.m. in Jonas 110--and stay for the game night with Buzz Arcade!

#### **11: Christopher Landauer and Chris Fuchs: "Wizard, Fighter, Rogue RPG Design: Community Building Through Gaming"**

Christopher Landauer is an Industrial Engineer by vocation (Stanford) and a Roleplaying Game Engineer by avocation. Engineers are typically tasked with building things, and together with Chris Fuchs, Christopher L. has spent the better part of the last decade building communities, building audiences, and building worlds in the Gaming space.

Chris "Savage Mommy" Fuchs is a proud Geek. He has been gaming since the late 90's, Starting with 2nd Edition D&D and playing with the same gaming group for that entire time.

Between them they organize the Rocky Mountain Savages, the largest RPG group in the Mountain West and coordinate RPGs for the largest tabletop conventions in the same region. They host the Savage Cast, a popular podcast and appear on several other media properties which promote gaming and the game community.

They just released *Buccaneer: Through Hell and High Water*, their first RPG gaming book and have multiple other projects in the pipeline for publication.

Chris L has also done creative work for Electronic Arts, one of the largest video game companies, was the first person to solve all the puzzles in Dan Brown's The DaVinci Code, and ran a treasure hunting forum with tens of thousands of active participants.

### **Tri the Pie**

The BHSU Tri the Pie is divided into three slices (disciplines) - SWIM, BIKE and RUN held over three concurrent days.

This format allows athletes to focus in on each leg of the triathlon race, creating an

opportunity for a truly dialed in performance.

Held early in the racing season, it is a great way to see how your training is progressing.

For athletes new to triathlons, it is a chance to experience each discipline in a lower pressure environment- no need to worry about those pesky transitions!

This format also allows single sport athletes to get in on the fun, ensuring plenty of competition on each day of racing.

Sign up for one race, two races, or the WHOLE PIE TRI today!

**750m Strawberry Swim Friday, April 26 5:30 PM**  
**BHSU Pool**

**20K Banana Crème Bike Saturday, April 27 9:00 AM**  
**Spearfish Canyon**

**5K Rhubarb Run Sunday, April 28 9:00 AM**  
**BHSU Young Center**

Pre-register online or by mail by 4/20/19.

Onsite registration will be available at each race starting 1 hour prior to race time for an additional fee.

\$20 per event or \$50 for all three with pre-registration.

### **EATING FOR SELF-CARE**

Stress and trauma affect all aspects of physical function: blood glucose levels, brain metabolism, energy, and alteration of brain structures. Stress disrupts the normal release of digestive enzymes and dysregulates hormones—all of which affect mood, cognition, sleep, and immune function. Nutrition plays an important role in the overall treatment of stress and trauma.

In honor of Sexual Assault Awareness Month, A'viands presents free healthy snacks and important self-care nutrition tips for when things become too much. Student Union Lobby, 11a-2p, Thursday, April 11th.

### **Canon Explorer of Light - Joel Grimes**

Internationally known photographer, Canon Explorer of Light and author, Joel Grimes will be giving a free public lecture in the Meier Recital Hall on Black Hills State University Thursday, April 18<sup>th</sup> at 7:00 pm. This event is being sponsored by Canon USA and the Black Hills State University Photography Department.

For over 27 years Joel has worked for many of the top advertising agencies and corporations across the globe for clients such as AARP, AES, Abbott Labs, Archer Daniels Midland, Arizona Office of Tourism, AT&T, Broncos, Comcast, Febreze, Goldman Sachs, Hewlett Packard, Hyatt, Kodak, Nikon, Pentax, Phillips 66, Philip Morris, Procter &

Gamble, Pfizer, Qwest, Sony, Sturm Ruger & Co, United Global, USA Boxing, Visa, Volvo, Xcel Energy, and most recently Red Bull. His assignments have taken him to every state in the US and to over fifty countries around the globe.

In 1990 Joel produced his first coffee table book, 'Navajo, Portrait of a Nation' which received a number of photographic and design awards and was the subject of an eighteen-month solo exhibit at the Smithsonian American History museum.

Driven by the creative process Joel views himself as an illusionist, creating portraits larger than life. "There is no face on the planet that is the same, and my vision as an artist is to capture that individual uniqueness through the creative photographic process."

Joel is also an ambassador for this process by teaching workshops and lectures across the country. "I feel that by being an open book with my process I have an opportunity to inspire others to follow their dreams and passions to create".

Joel currently has a photo studio located in Old Town Pasadena California where he resides with his wife Amy.

For more information regarding the lecture and open house, contact the BHSU Photography Department at 642-6391.

### Severe Weather Awareness Week

Severe Weather Awareness Week - 2019

April 22-26, 2019 has been designated Severe Weather Awareness Week in South Dakota. With the approach of warmer weather, it is important to remind BHSU Faculty, Staff and Students to take a moment to review our emergency procedures for severe weather.

In the event of developing weather conditions that could potentially spawn severe weather, the National Weather Service will issue either a Severe Thunderstorm Watch or a Tornado Watch. A Watch means that atmospheric conditions exist for severe weather to develop.

If the National Weather Service upgrades a Watch to a Warning, it means that severe storm conditions exist and that you should take shelter immediately.

Severe weather advisories will be broadcast on local radio and television stations. If you hear that a Severe Weather Watch has been issued for your general area, you should stay alert to weather conditions and be ready to seek shelter. If a Tornado Warning is issued civil defense sirens will be sounded in a non-broken continuous tone that will last up to 3-minutes in duration.

At the sounding of a Severe Weather Warning, take cover in a basement or interior room of your home. If you live in a mobile home, leave at once and seek another shelter. If you are located in a public building go to a lower interior area of the building. Use stairways and avoid the use of elevators. If you are outdoors, seek shelter in a ditch or low area on the ground. Avoid positioning yourself near trees, power lines and telephone poles. If you are in a motor vehicle do not attempt to outrun the tornado, stop, exit the vehicle immediately and seek shelter away from your vehicle. For campus emergency shelter

locations, see the information below.

Tornadoes are rare in this area but can and do happen here. We all need to be alert to the weather conditions, act quickly when a tornado is detected, and remain calm. You and your family should know in advance what to do if the civil defense warnings are issued.

**State-wide Tornado Drills will be conducted on Wednesday April 24, 2019 sometime between 9 a.m. & 9:15 a.m.**

Campus Emergency Shelter locations:

Meier Hall - 1st floor away from the doors and any windows.

Woodburn Hall - 1st floor away from the doors or the Library 1st floor.

Library - basement.

Wenona Cook - 1st floor south side corridor, interior doors closed.

Facilities Services - Lower level of building, near an interior wall.

Jonas - basement.

Student Union - 1st floor corridor, or the Jonas basement.

Young Center - Administration Office Area, athletic shower rooms 1st floor, corridor between the shower area and gym - away from exterior doors/glass.

Bordeaux, Heidepriem & Thomas Residence Halls - 1st floors, interior doors closed.

Humbert Residence Hall - 1st floor south, interior doors closed.

Apartments - first floor bathroom tub with mattress over the top of you or the Young Center.

Life Sciences Laboratory - For severe storms, use the main floor restrooms/showers. In the event of an active shooter situation, use the loading dock area northwest corner of the building.

Joy Center - basement.

President's Residence - basement.

### **Geek Speak: Noise-Makers: Fascists and Music**

Please join us for the final faculty-led Geek Speak with Dr. Alex Lang: "Noise-Makers: Fascists and Music" **Thursday, April 25 at 4:00 p.m.** in Jonas 110.

The German philosopher Walter Benjamin remarked that fascism turned politics into art. And music was no exception.

While the association of Nazism and Hitler with Wagner is famous, the history of fascists and music goes far beyond German opera.

Even today, fascism is explicitly present in various sub-genres of European metal and punk music.

This talk will examine how various musicians representing high, experimental, and pop art all found ways to either embrace or accommodate themselves to fascist regimes and ideologies.

We will listen to excerpts from a variety of compositions and songs and explore how music could communicate fascism.

### **Tri the Pie**

The BHSU Tri the Pie is divided into three slices (disciplines) - SWIM, BIKE and RUN held over three concurrent days.

This format allows athletes to focus in on each leg of the triathlon race, creating an opportunity for a truly dialed in performance.

Held early in the racing season, it is a great way to see how your training is progressing.

For athletes new to triathlons, it is a chance to experience each discipline in a lower pressure environment- no need to worry about those pesky transitions!

This format also allows single sport athletes to get in on the fun, ensuring plenty of competition on each day of racing.

Sign up for one race, two races, or the WHOLE PIE TRI today!

### TOMORROW (Wednesday) is DENIM DAY

Make a social statement with your fashion by wearing jeans to campus on Denim Day. Wearing jeans tomorrow makes a visible pronouncement against the misconceptions surrounding sexual assault.

Here's the Backstory" In 1997 in Rome, Italy, an 18-year-old girl was raped by her 45-year-old driving instructor, who was later convicted and sentenced to jail. The perpetrator appealed the sentence, and his case went to the Italian Supreme Court where the case was overturned. The Head Judge released a statement arguing that because the victim wore tight jeans, he assumed that she must have helped her perpetrator remove her jeans and, therefore, consented. Enraged by the verdict, the women in the Italian Parliament launched into immediate action and protested by wearing jeans on the steps of the Italian Parliament building. This was the beginning of what has become a worldwide event and movement to wear jeans as a visible means of protest against misconceptions that surround sexual assault. In support of SAAM...Stop by the Student Union tomorrow to see the awesome Denim Day Display created by our Student athletes.

### Geek Speak: Noise Makers: Fascists and Music

Please join us for our final faculty-led Geek Speak of the year today (*Thursday*), *April 25, at 4:00 p.m.* in Jonas 110:  
Alex Lang: “Noise-Makers: Fascists and Music”

The German philosopher Walter Benjamin remarked that fascism turned politics into art. And music was no exception. While the association of Nazism and Hitler with Wagner is famous, the history of fascists and music goes far beyond German opera. Even today, fascism is explicitly present in various sub-genres of European metal and punk music. This talk will examine how various musicians representing high, experimental, and pop art all found ways to either embrace or accommodate themselves to fascist regimes and ideologies. We will listen to excerpts from a variety of compositions and songs and explore how music could communicate fascism.

The final capstone defense for our graduating University Honors Students will be Monday from 3:00-5:00 in the Joy Center.

### Tri the Pie

The BHSU Tri the Pie is divided into three slices (disciplines) - SWIM, BIKE and RUN held over three consecutive days.

This format allows athletes to focus in on each leg of the triathlon race, creating an opportunity for a truly dialed in performance.

Held early in the racing season, it is a great way to see how your training is progressing.

For athletes new to triathlons, it is a chance to experience each discipline in a lower pressure environment- no need to worry about those pesky transitions!

This format also allows single sport athletes to get in on the fun, ensuring plenty of competition on each day of racing.

Sign up for one race, two races, or the WHOLE PIE TRI today!

750m Strawberry Swim *Friday, April 26 5:30 PM*

BHSU Pool

20K Banana Crème Bike *Saturday, April 27 9:00 AM*

### Re-vamping BHSU's Graphic Design Club

With the start of summer, several students have decided to re-vamp the graphics design club which was prior known as Yellow Graphics.

Those members who have joined currently have decided to change the name to Buzzing Graphic, to make usage of the BHSU yellow jacket mascot.

The Buzzing Graphics - Graphic Design Club is a student organization, for any person enrolled at Black Hills State University with an interest in graphic design.

Our aim is to help students to help students improve their work, connect with one another, connect with the community through non-profit design work, and to obtain a material for their portfolios and resumes.

With hope, we shall be ready for the fall semester of 2019, so that we may welcome in many new members at the student ORG fair.

Over the summer, we shall be trying to line up businesses and nonprofits who would like some design work done, after the start of the new semester.

We will be looking for graphic designers currently working for local businesses to come and give small 15-30 min presentation. This is to help club members get a feel what for jobs are presently looking for in graphic designers.

The club is also working on prices for design work which will allow us to raise money for club sponsored events. Any money raised through design work will go strictly to Buzzing Graphics' funding. Other club meetings may be looking in to study nights to help club members get used to the tools and programs they are using in their classes and possible tutoring.

There is also the possibility of movie nights for a chance to just get together and

unwind.

Stay tuned for more graphic design news to come!

To join Buzzing Graphics feel free to email the club at [buzzinggraphics@yellowjacketsbhsu.onmicrosoft.com](mailto:buzzinggraphics@yellowjacketsbhsu.onmicrosoft.com) and one of the current acting club officers will send an invite or add you to our mailing list.

## **News Releases**

### **Descendants of Maude (Campbell) Dana named 2019 BHSU Legacy Family**

Fourteen descendants of Maude (Campbell) Dana, Class of 1917, were honored this spring as the 2019 Black Hills State University Legacy Family. Grandma Dana, as Maude is fondly remembered by her loved ones, was known for inspiring and encouraging her family's education. The Dana family is known for their strong support and care of the community through their success in the fields of dentistry, orthodontia, and financial management.

### **BHSU to offer new Certificate in Adventure Education this fall**

Black Hills State University will offer a new Certificate in Adventure Education this fall, preparing students to be outdoor professionals who can plan and deliver quality education experiences. The South Dakota Board of Regents approved the certificate offering today.

### **BHSU students named to Spring 2019 Dean's List**

Black Hills State University has released the Dean's List for the spring 2019 semester. A total of 714 full-time students and 158 part-time students maintained a grade point average (GPA) of 3.5 or higher. Students are listed by hometown or current place of residence. Students that achieved a 4.0 GPA are recognized with an asterisk (\*).

### **Community invited to support students during BHSU Scholarship Gala**

Mark your calendars for the stellar event of the summer season! The fifth Annual Black Hills State University Scholarship Gala, "Helping our Students Shoot for the Moon and Land among the Stars," will take place on a starry Saturday evening, Aug. 24, at the Joy Center at BHSU in Spearfish.

### **GEAR UP continues successful summer program at Black Hills State**

For the fourth year in a row, Black Hills State University is hosting the GEAR UP Summer Honors Program on campus. Nearly 90 high school students arrived in Spearfish this week for the three-week program. Dr. Peg Diekhoff, GEAR UP project manager, said the summer program prepares low-income students and American Indian students for higher education and encourages them to consider possibilities available to them.

### **The Matthews and BHSU Theater collaborate for 5th year with “The Phantom of the Matthews Opera House”**

BHSU alum wrote the family-friendly melodrama for The Matthews in 1976. Is The Matthews haunted? Forty-three years after it first hit the stage, “The Phantom of The Matthews Opera House” is again a summer draw for Black Hills community members and visitors. This is in thanks to a collaborative effort between The Matthews and Black Hills State University. The performances are 7:30 p.m. every Monday, Tuesday, and Wednesday night in July.

## ANNOUNCEMENTS

### Some helpful tips from the Registrar's Office...

- **ADD/DROP CLASSES** - For any full-semester length courses\*, you have until September 5 to adjust your schedule (add/drop) without any financial impact. Changes can be made through [MyBHSU/SNAP](#). If you need help changing your schedule, just stop by or e-mail the Registrar's Office in Woodburn Hall ([Johanna.Best@BHSU.edu](mailto:Johanna.Best@BHSU.edu)).
- **STUDENT E-MAIL** - Be sure to check your student e-mail account, at least, once a day. Announcements about cancelled classes, notices from instructors, and many more important details are sent only to your student e-mail account.
- **DESIRE TO LEARN (D2L)** - All online and most face-to-face classes use Desire2Learn (D2L) for assignments, exams, etc. Login to your D2L account with your student e-mail/password to view courses that use this program.
  - If you are registered for a course that is not showing in D2L, the instructor may not have "activated" it yet. Many instructors won't have materials available until the day classes start. If you have concerns about a particular class, reach out to the instructor for clarification.
- **FACULTY ADVISOR** - Reach out to your faculty advisor (found on MyBHSU Student Accounts/Student tab) for questions about your major and recommended courses.
- **LOGIN TROUBLE** - If you are having trouble accessing any of your student accounts, please contact the Help Desk - [BHSUHelpDesk@BHSU.edu](mailto:BHSUHelpDesk@BHSU.edu), basement of the library, or (605) 642-6580.

We want to make sure you have a smooth transition into your fall semester, so, if you have any other questions, please stop by or e-mail the Registrar's Office in Woodburn Hall ([Johanna.Best@BHSU.edu](mailto:Johanna.Best@BHSU.edu)) or (605) 642-6092.

\*Shorter length classes (ie: PE classes) have earlier add/drop deadlines (as early as the first day of class).

## EVENTS

### **Geek Speak: Conspiracy Theory Minus the Smirk: The Structural Analysis of Hustles and Hoodwinks**

Join us for the first Geek Speak of the year! Thursday, September 5 at 4:00 p.m. in Jonas 110:

#### **Dr. Tim Steckline - "Conspiracy Theory Minus the Smirk: The Structural Analysis of Hustles and Hoodwinks"**

Those in the know define “conspiracy theory” as “crazy people making crazy talk.” This term is a warning that a rational person should not waste time on what you might hear next. While admittedly at times the pattern-seeking part of our social sense can grow beyond plausibility, our reasonable caution is tempered by our realization that in our modern world there are complex organizations that do operate in secrecy. How can we sort the hustles from the hoodwinks? In an attempt to develop a serious method for the clear-eyed and clear-headed study of conspiracy theory, let’s try to make sense of Building 7, QAnon, Dealy Plaza, the Deep State, K Street, and moon landings. Our structural analysis of such organizations takes us back to their origins in the Assassins, the Templars, the Boston Tea Party, the CIA, your neighborhood bank, and purported debunkers offering gifts of fresh Trojan Horses. For the Systematic Listener, the Searcher of Hidden Crevices, the Debunker of Debunkers, we shall distill 7 Precepts for the Hygienic Study of Conspiracy Theory. These include Carp Detection [sic], Meta-Skepticism, Phil Dick’s Louvered Onion, the Gospel of St. Godel, Pynchon’s Principle of Mirror Genesis, and RAW’s Law of Levity. A Certificate of Completion will be issued to those who master all 7 Precepts.

## ANNOUNCEMENTS

### **2020 Legislative Information and Application are now available**

Each session, the South Dakota Legislature employs 22 college students to serve as interns. The interns provide Legislators with the assistance during the hectic legislative session. While in Pierre, interns observe the lawmaking process in action, learn about the issues confronting the state, and may earn college credit all at the same time.

Applications should be submitted from late August to early October. You may contact the BHSU Legislative Intern Coordinator Pam Carriveau at [Pamela.Carriveau@BHSU.edu](mailto:Pamela.Carriveau@BHSU.edu) with your questions and the application. The majority and minority leaders in the Senate and the House of Representative select the interns. In November, students will be notified about their applications.

### **New Library Website**

Welcome to a new semester! If you are a returning student, you may have noticed that the Library updated its website during the break. The new design focuses on information and services that are most frequently used or asked about. We will continue to review and update the new website periodically to improve usability for our students and faculty.

A major component of this new design was expanding search results to make research easier. The main search bar on the Library home page now also searches a number of our databases and online resources in addition to the catalog, making it a great place to start. If you don't find what you need, you can still browse a full list of all available databases or submit an Interlibrary Loan request.

Check out the new site at [Library.BHSU.edu](http://Library.BHSU.edu)!

### **Geek Speak is BACK! Conspiracy Theory Minus the Smirk: The Structural Analysis of Hustles and Hoodwinks**

Please join us for the first Geek Speak of the year: Thursday, September 5 at 4:00 p.m. in Jonas 110.

#### **Dr. Tim Steckline - "Conspiracy Theory Minus the Smirk: The Structural Analysis of Hustles and Hoodwinks"**

Those in the know define "conspiracy theory" as "crazy people making crazy talk." This term is a warning that a rational person should not waste time on what you might hear next. While admittedly at times the pattern-seeking part of our social sense can grow beyond plausibility, our reasonable caution is tempered by our realization that in our modern world there are complex organizations that do operate in secrecy. How can we sort the hustles from the hoodwinks? In an attempt to develop a serious method for the clear-eyed and clear-headed study of conspiracy theory, let's try to make sense of Building 7, QAnon, Dealy Plaza, the Deep State, K Street, and moon landings. Our structural analysis of such organizations takes us back to their origins in the Assassins, the Templars, the Boston Tea Party, the CIA, your neighborhood bank, and purported debunkers offering gifts of fresh Trojan Horses. For the Systematic Listener, the Searcher of Hidden Crevices, the Debunker of Debunkers, we shall distill 7 Precepts for the Hygienic Study of Conspiracy Theory. These include Carp Detection [sic], Meta-Skepticism, Phil Dick's Louvered Onion, the Gospel of St. Godel, Pynchon's Principle of Mirror Genesis, and RAW's Law of Levity. A Certificate of Completion will be issued to those who master all 7 Precepts.

## **NEWS RELEASES**

### **BHSU to host Retired Faculty and Staff Picnic**

Black Hills State University will host a picnic for retired faculty and staff at 5:30 p.m. on Thursday, Sept. 19, on the BHSU campus in the Joy (Proctor) Krautschun Alumni/Foundation Welcome Center.

### **BHSU alum runs one-of-a-kind media firm in Rapid City**

Create ideas, consult with the boss, and execute the plan. This is the formula led Jenna Carda to produce content for seven profitable magazines just three years after graduating from Black Hills State University (BHSU). Jenna is the managing director of Evergreen Media in Rapid City, a team of creative professionals producing nearly 1 million

printed copies of magazines per year.

### [Alum saves former BHSU President Flickema's eyesight](#)

Dr. Tom Flickema, who served as President of Black Hills State University from 1994-2006, still remembers the moment BHSU graduate, Dr. Nathan Steinle, walked into his exam room at Black Hills Regional Eye Institute. It had been 13 years since the two last saw each other, when Steinle gave the honors graduation speech as the valedictorian of the Class 2001 and shook hands with President Flickema at commencement. Now, the two shook hands again, with a reassurance from Steinle that he could restore his university president's eyesight.

## ACCOMPLISHMENTS

Dr. Du-Lu Hsiao, assistant professor of Spanish, will present "Embracing global competence for divergent thinking" at the 2019 South Dakota World Language Association Conference Sept. 13-14 at SDSU. Hsiao's paper "Methodology Framework on Doctoral Thesis Related with SFL Defended in 2017" (in Spanish) was published in July by the Spanish peer-reviewed journal MarcoELE.

## Geek Speak: Hungry Jackets: Food Insecurity on Campus

Please join us for this week's Geek Speak: Thursday at 4:00 p.m. in Jonas 110:

### Dr. Trenton Ellis - "Hungry Jackets: Exploring Food Insecurity on Campus"

Food security “means access by all people at all times to enough food for an active, healthy life” ([USDA 2019](#)). Most Americans (88 percent) live in food secure households ([USDA 2017](#)). People who lack access to enough food are considered food insecure. Nationwide, just under 12 percent of Americans can be categorized as food insecure (USDA 2017). As with most social problems, some groups struggle more than others. As many as 45 percent of U.S. college students exhibit some level of food insecurity ([Goldrick Rab et al. 2019](#)). But what does food insecurity look like at BHSU? What are its impacts on students? And what might our community do to respond? Dr. Trenton Ellis explores these questions through a Geek Speak highlighting his recent study on food insecurity at Black Hills State University. September is Hunger Action Month and thus attendees are asked to please bring one college student appropriate non-perishable food item in support of the BHSU Student Food Pantry.

### Startup Weekend

Do you like sharing ideas with cool people, interacting with students from Mines, and getting connected with the network of entrepreneurs in Rapid City? Do you want to see what it's like to formulate a business in less than 3 days? Do you like the idea of 7 free meals and a free t-shirt?

Black Hills Startup Weekend is a fun way to get connected with the entrepreneurial community in the area. It will run from Friday night (9/13) until Sunday night (9/15).

BHSU Students get admission for only \$10 by using the code BHSULove when registering. Better yet, if you participate the entire weekend, and tell me how much fun you had, then the School of Business will reimburse your cost for attending.

**5th Annual Gage McSpadden "Sheriff" Memorial 5k Race/3k Walk**

The 5th Annual "Sheriff" 5k/3k Community Run is an event to honor the memory of BHSU student-athlete [Gage McSpadden](#) (Rawlins, WY). Gage was a Special Education Major and a member of the BHSU Cross Country/Track and Field Teams. Gage tragically passed away in the summer of 2015 just prior to his final year of college and his final Cross Country Season.

This year's event is Saturday September 21 in Spearfish City Park across from the pavilion. It will begin with a 1k Kid's Race for ages 10 and under followed by the 3k/5k. The registration fee for the kid's race is \$5 and all entered will receive a coupon for a cup of ice cream at Leones' Creamery!

The Registration Fee for the 3k/5k is a \$15 minimum donation for students and \$20 minimum donation for community members. Registration forms can be picked up at the information desk in the Young Center or you can register on the day of the race/walk from 6:15-7:00 in front of the Pavilion.

Awards will be given to the top 3 male and female overall finishers in the 5k and there will be drawings for various prizes that everyone will have a chance to win. **100% of the proceeds will go to the Gage McSpadden Memorial Scholarship Fund!**

### **Accounting Career Fair**

The BHSU Accounting faculty and School of Business will be sponsoring the annual **Accounting Career Fair** on campus this month.

When: Wednesday, September 25 from 9:00-10:30 a.m.

Where: Joy Center on campus

The fair starts with the "Accounting Jam" where employers tell about their business and the types of jobs available. The career fair then provides students one-on-one access to speak to the employers.

This is highly recommended for all potential accounting majors but particularly for Junior and Senior students.

We ask that faculty excuse those students from class to attend this University sponsored event.

### **Went to Prison for Accounting Fraud**

We have a rare opportunity to have Weston Smith visiting our Rapid City location on Thursday 9/19. He will be presenting in room #112 from 4-5pm. Weston Smith was once CFO of the Fortune 500 company, HealthSouth Corporation. The company became a Wall Street darling, as it quickly grew from one location to over two thousand in all fifty states and five countries. However, underneath the glimmering corporate office, the fleet of corporate jets, and "consistent" earnings reports, laid a multi-year multi-billion dollar financial statement fraud. Ultimately, Weston came forward and exposed the fraud, and accepted responsibility for his former actions serving 27 months in prison for his actions.

<https://www.westonlsmith.com/>

I strongly encourage you to attend this extraordinary event. You are also welcome to invite anyone else who you feel would enjoy learning from this story.

### Dr. Wei Song - Research Brown Bag

Are you interested in how Dr. Wei Song spent her sabbatical and the research she is conducting with students? Bring your lunch and join us for Dr. Song's research presentation held this **Thursday (9/25) at 12:30pm in Meier Hall 206.**

Topic: *An Investigation of the Preferred Experiential Learning styles and Spaces for Asian Students using Kolb's Experiential Learning Theory*

Although extensive research has been conducted in this arena, the research regarding international students, especially the rapidly growing number of Asian students, is still limited. This study utilized a convergent parallel mixed methods design (Creswell) using Kolb Experiential Learning Theory (ELT) to investigate the preferred experiential learning (EL) styles and spaces for international students, notably from China and other Asian countries. The findings provide possible approaches to develop appropriate experiential

learning styles and spaces. The outcome of the study presented below indicates that well-balanced learning styles should be emphasized instead of ranking the priority of learning preferences.

### **Geek Speak: “Mindful Movement: Campus Yoga and Meditation”**

Please join us for this week's Geek Speak: Thursday, September 26 at 4:00 pm:

#### **Clarissa Thompson - “Mindful Movement: Campus Yoga and Meditation”**

Brief: Join certified 500 hour Yoga Instructor Clarissa Thompson for an all-levels yoga flow and meditation. You will be introduced to the physical and mental practice of yoga in this session. Expect to move and then sit for a short meditation. Bring a mat if you have one, we will have some extras if you do not have your own mat.

Yoga is an ancient practice of movement, mindfulness, and connection. Yoga is a Sanskrit word that means “to Yoke” and in this practice we yoke or bring together the scattered elements of our being: body, mind and soul. The power of this practice is not just in the ability to move, but in the ability to gain confidence, a sense of wholeness and create community. Making time for you, to unwind and distress is a MUST! Come learn the amazing benefits of this practice!

Please bring a yoga mat if you have one!

## Japanese Stab Bookmaking with Michael Baum

Bookmaking Workshop

Saturday, October 5, 10am-1pm

makeSPACE (517 W Jackson Blvd)

Come learn about the beautiful and practical art of making books. Michael Baum, Assistant Professor of Studio Art at BHSU, will teach us the techniques to create Japanese-style stab binding books.

Michael Baum is a South Dakota native, whom over the last twenty years has focused much of his time exploring the mountain ranges of California, Wyoming, Montana, Washington and Alaska. His interactions with nature and the wilderness became the impetus for his graduate studies in fine art, which he completed at Washington State University with an emphasis in drawing and printmaking. Michael is currently an Assistant Professor of Studio Art at Black Hills State University. Since 2008, he has been featured in numerous exhibitions both internationally and across the United States.

### Business Plan Competition

Have you ever thought about turning an idea into a business? SD Mines hosts a yearly business plan competition, which is the perfect starting point to launch your business. BHSU students have historically done very well in this competition. In addition, it's a great platform to prepare for [the SD Governor's Giant Vision Business Plan Competition](#).

Most importantly, students who participate get to work directly with mentors who are well connected in the community and get face-time with top investors from SD.

If you are interested in participating simply send an email today

to [economic.development@sdsmt.edu](mailto:economic.development@sdsmt.edu) and include the following information:

- Name, School's Name, Email address, Major (undergraduate or graduate), of each team member
- Idea or Business Name
- A very brief description of your idea or business

Don't worry if your idea changes, we just want to get you registered so you can be assigned a mentor. I am also happy to personally work with students who can't travel to Rapid for the formal training sessions.

### TRIO September Student of the Month

Zach Stanford is a Human Services major with minors in Psychology and Sociology. Zach's wants to work with the National Park Service once he graduates. Zach grew up in Hill City and grew up loving many television shows mainly Pokémon. He got involved in the TRIO program at BHSU because he needed a community to help him. With the help of Susan Hupp, the prior director of the TRIO program; and Ashley Kirchner, the current director of the TRIO program, Zach has been able to break down his barriers. According to Zach TRIO has made him "a better student and a gentleman." TRIO director Ashley Kirchner said, "Zach has been a staple for the SSS program. He was the first one to come in this fall and get busy studying. He is diligent about coming in to work on homework and meet with tutors and staff when he has questions. The SSS staff enjoys Zach's presence and will truly miss him as he graduates in May." about Zach. Congratulations Zach!

**Premier Event for "Not Here, Not Anywhere" sexual violence elimination campaign to be held Oct. 12 during BHSU vs. Mines Battle for the Homestake**

## Trophy

For the past three years, a new tradition “Not Here, Not Anywhere” has been associated with the historic Battle for the Homestake Trophy. Teal-colored awareness ribbons and wrist bands signifying a unified stance against sexual violence and support for victims will adorn fans, players and coaches at the Oct. 12 Black Hills State University football (vs. South Dakota School of Mines & Technology) and volleyball (vs. Chadron State) games. The Oct. 12 “Not Here, Not Anywhere” Premier Event also includes a special half-time presidential presentation.

The Premier Event is a unified program among the BHSU and SD Mines student leaders as well as staff and athletics from both institutions. The “Not Here, Not Anywhere” campaign seeks to engage college students and all members of the community in preventing sexual violence in the first place. In addition to BHSU and SD Mines, campaign partners include High Country Coca-Cola and the Northern Hills Sexual Response Team.

Black Hills State University is committed to creating an environment where sexual violence in any form is unacceptable and survivors are supported. This effort will support student-led efforts already underway and will focus particularly on motivating up-stander interventions. Go Jackets!

### Geek Speak: The Forgotten Founding Father: Noah Webster and His Dictionary

Please join us for this week's Geek Speak! 4:00 p.m. on Thursday in Jonas 110:

**Dr. Andrey Reznikov - "The Forgotten Founding Father: Noah Webster and His Dictionary"**

Noah Webster today is mostly known - if known at all - as the compiler of the first American Dictionary of the English Language. Indeed, his dictionary is the most famous, but not his only creation. His spelling book, which sold millions of copies, created new spelling rules - rules we still use today. But that is not all. Even though Webster personally did not take part in writing of the US Constitution, his passionate political speeches and essays in support of the united country, during the time when the United States were anything but united - were a powerful influence in creating the real union of the first 13 states. Thus, he truly is the forgotten founding father - of the new country and its new culture, and his dictionary of American English is a testament to that.

## ANNOUNCEMENTS

### **Important Notice to all Faculty/Staff/Students**

West Elementary (directly south of the Jonas Commuter Lot) will be conducting an Active Threat Drill Thursday October 3rd starting at 12:55 p.m. At that time, the school will go into lockdown status and then initiate an evacuation/relocation of the students. Only a portion of student population will be involved in the evacuation process. The BHSU Student Union's Club Buzz is the designated evacuation location for West Elementary. Those participating in the drill will be escorted by school staff from West Elementary to the Student Union where staff will be prepared to accept the evacuees into Club Buzz. Elementary students will be held in the evacuation location long enough to do a head-count and will then be bused to the designated parent reunification location (off campus). During the drill process you may see an increase in the number of emergency vehicles in and around the south portion of the BHSU campus. Please keep in mind that it is a drill only. Contact BHSU Public Safety if you have any concerns or questions - 641-6988.

### Be a Visible Supporter...Sign the Support Banner

Like the Breast Cancer awareness pink ribbon, the teal ribbon shows support for survivors of sexual assault. This sounds like a no-brainer but simply listening to and supporting a sexual assault victim, affirming that you believe them when they come forward, and paying attention to the language that you use makes a world of difference. The teal ribbon also symbolizes the eliminating sexual violence in our community. On average, 24 people per minute are victims of rape, physical violence or stalking by an intimate partner in the United States. Silence and lack of knowledge about these problems play a large part in why domestic and sexual violence continue to persist.

Student leaders at BHSU and SDSM&T created four giant pledge/support banners...one of those banners is on display all day today (Thursday) and tomorrow in the BHSU Student Union. Stop by, visit with the students...and most importantly...sign the support banner. The goal is to fill the entire banner with community signatures...a powerful support statement for survivors as well as a no-tolerance statement. All banners will be displayed at the October 12th Volleyball and Football games.

## **Band Concert**

Please join us for music, refreshments, and fun! Support our students and extended community members from BHSU next Friday, October 11th at 7:30pm in Clare and Josef Meier Hall.

The Black Hills State Wind Ensemble and Concert Band will perform a collection of beautiful and energetic works at our upcoming fall concert. We will feature magnificent and showy classics such as the first movement of Shubert's unfinished symphony and Bizet's Farandole. We will get loud and proud with Mike Leckrone's Intrusions which will feel like marching band in the concert hall. One of our favorites right now that will be featured, adapted for band by Robert W. Smith, was written by someone not necessarily known for his contributions to music: Benjamin Franklin.

## **Premier Event for "Not Here, Not Anywhere" sexual violence elimination campaign to be held Oct. 12 during BHSU vs. Mines Battle for the Homestake Trophy**

For the past three years, a new tradition "Not Here, Not Anywhere" has been associated with the historic Battle for the Homestake Trophy. Teal-colored awareness ribbons and wrist bands signifying a unified stance against sexual violence and support for victims will adorn fans, players and coaches at the Oct. 12 Black Hills State University football (vs. South Dakota School of Mines & Technology) and volleyball (vs. Chadron State) games. The Oct. 12 "Not Here, Not Anywhere" Premier Event also includes a special half-time presidential presentation.

The Premier Event is a unified program among the BHSU and SD Mines student leaders as well as staff and athletics from both institutions. The "Not Here, Not Anywhere" campaign seeks to engage college students and all members of the community in preventing sexual violence in the first place. In addition to BHSU and SD Mines, campaign partners include High Country Coca-Cola and the Northern Hills Sexual Response Team.

Black Hills State University is committed to creating an environment where sexual violence in any form is unacceptable and survivors are supported. This effort will support student-led efforts already underway and will focus particularly on motivating up-stander interventions.

## **Geek Speak: "The Forgotten Founding Father: Noah Webster and His Dictionary"**

Please join us for this week's Geek Speak on Thursday at 4:00 p.m. in Jonas 110:

### **Dr. Andrey Reznikov - "The Forgotten Founding Father: Noah Webster and His Dictionary"**

Noah Webster today is mostly known - if known at all - as the compiler of the first American Dictionary of the English Language. Indeed, his dictionary is the most famous, but not his only creation. His spelling book, which sold millions of copies, created new spelling rules - rules we still use today. But that is not all. Even though Webster personally did not take part in writing of the US Constitution, his passionate political speeches and essays in support of the united country, during the time when the United States were anything but united - were a powerful influence in creating the real union of

the first 13 states. Thus, he truly is the forgotten founding father - of the new country and its new culture, and his dictionary of American English is a testament to that.

### **Become A Visible Supporter**

Like the Breast Cancer awareness pink ribbon, the teal ribbon shows support for survivors of sexual assault. This sounds like a no-brainer but simply listening to and supporting a

sexual assault victim, affirming that you believe them when they come forward, and paying attention to the language that you use makes a world of difference. The teal ribbon also symbolizes eliminating sexual violence in our community. On average, 24 people per minute are victims of rape, physical violence or stalking by an intimate partner in the United States. Silence and lack of knowledge about these problems play a large part in why domestic and sexual violence continue to persist.

Student leaders at BHSU and SDSM&T created four giant pledge/support banners...one of those banners is on display all day today (Tuesday) and tomorrow (Wednesday) in the BHSU Young Center. Stop by, visit with the students...and most importantly...sign the support banner. The goal is to fill the entire banner with community signatures...a powerful support statement for survivors as well as a no-tolerance statement. All banners will be displayed at the October 12th Volleyball and Football games.

### **The Legacy of Dislocation: A History of Urban Segregation in Rapid City**

Event Location: Joy Center

Date: Oct. 18

Time: 1:00 p.m.

Following the closure of the City Indian Boarding School, the U.S. Department of the

Interior (DOI) allowed a 1,200-acre parcel of land to be taken by a number of non-Native public and religious entities. Although the DOI intended that some of this land be given for the use of—in the language of the day—“needy Indians,” not a single inch of those 1,200 acres went to Native people. This property covers much of what is today western Rapid City, which also happens to include much of the city’s most valuable real estate. Heather Dawn Thompson and Dr. Eric Zimmer's presentation will explore the series of municipal, school district, county, federal decisions, and questionable land swaps which led to the consolidation of Rapid City’s Native population into specific neighborhoods that have faced high degrees of socioeconomic disadvantage.

Please join us for this week's Geek Speak on Thursday at 4:00 p.m. in Jonas 110:

**Aaron Bauerly - "Grey Gaming: The Rise of the Antihero"**

Beginning after World War I, and continuing after World War II, antihero protagonists have become an increasingly popular trope in modern media. Video games are no exception. Advances in computer and gaming technology have allowed for highly dynamic narratives that let the player participate in the swirling of light and dark, allowing the same protagonist to become a flawed hero, an antihero, an agent of retribution, or even a sympathetic villain. Join me in an examination of games in which player action and complex programming structures impact story and character development, often revolving around moral choice and ambiguity.

### **The Legacy of Dislocation: A History of Urban Segregation in Rapid City**

Friday, Oct. 18 at 1 p.m. in The Joy Center

Following the closure of Rapid City Indian Boarding School, the U.S. Department of the Interior (DOI) allowed a 1,200-acre parcel of land to be taken by a number of non-Native public and religious entities. Although the DOI intended that some of this land be given for the use of—in the language of the day—“needy Indians,” not a single inch of those 1,200 acres went to Native people. This property covers much of what is today western Rapid City, which also happens to include much of the city’s most valuable real estate.

Attorney Heather Dawn Thompson and BHSU alum Dr. Eric Zimmer’s presentation will explore the series of municipal, school district, county, federal decisions, and questionable land swaps which led to the consolidation of Rapid City’s Native population into specific neighborhoods that have faced high degrees of socioeconomic disadvantage.

### **Enough Abuse: Child Sexual Abuse Awareness Presentation**

Enough Abuse is a statewide awareness campaign providing training on understanding child sexual abuse. The presentation will focus on conditions that support child sexual abuse and prevention. The Enough Abuse Campaign offers educational information to parents, educators, law enforcement professionals and other concerned adults who work with children to have a greater understanding of recognizing and responding to child sexual abuse disclosure as well as understanding the importance of reporting.

Attendees will learn the following:

- What to say when a child discloses abuse
- What to document during disclosure
- How child abuse cases process through the legal system
- Why most cases are never prosecuted
- Improving the body safety talks with children

**When: Tuesday October 15, 2019 6:00 pm - 8:00 pm**

**Where: Meier Recital Hall**

**The presentation is free of charge.**

### Black Hills Teachers College and World War II

When: Thursday, October 24, 2019, at 4 p.m.

Where: Meier Hall room 206

BHSU's Case Library is hosting a talk on the how the university supported the U.S. military during World War II. At that time, Black Hills Teachers College (BHSU today) was home to the 93rd Army Air Forces College Training Detachment. Cadets from across the United States were stationed on campus to earn college credits that made them eligible to become Army officers, and they learned rudiments of aviation at Spearfish's airport. Terry Neil King, son of the 93rd's original Adjutant, is donating the detachment's official records and photographs to BHSU's Case Library. He and Paul Higbee will discuss stories of the 1,100 cadets stationed here in 1943 and 1944, and also how these records will likely lead to more detachment research in coming years. Students, faculty, staff, and the general public are welcome to attend.

### Hahn & Larsen Faculty Recital

BHSU Music Faculty member Christopher Hahn will be presenting a faculty trumpet recital on Thursday, Oct. 10 at 7:30 PM in Meier Recital Hall. Dr. Hahn will be joined by Dr. Janeen Larsen on piano. The duo will be playing Excursions by Bruce Broughton, well known as a film composer, and The Lightning Fields by Michael Daugherty.

Excursions explores different melodic and rhythmic ideas, breaking them down and putting them together in different ways. The Lightning Fields is a four movement work that is, in the words of the composer, "inspired by four unique nocturnal fields of natural or artificial light phenomena found in North America."

### **Geek Speak: Wizard, Fighter, Rogue RPG Design: Community Building Through Gaming**

Please join us for this week's Geek Speak on Thursday at 4:00 p.m. in Jonas 110--and stay for Game Night with Buzz Arcade!

#### **Christopher Landauer and Chris Fuchs: "Wizard, Fighter, Rogue RPG Design: Community Building Through Gaming"**

Christopher Landauer is an Industrial Engineer by vocation (Stanford) and a Roleplaying Game Engineer by avocation. Engineers are typically tasked with building things, and together with Chris Fuchs, Christopher L. has spent the better part of the last decade building communities, building audiences, and building worlds in the Gaming space.

Chris "Savage Mommy" Fuchs is a proud Geek. He has been gaming since the late 90's, Starting with 2nd Edition D&D and playing with the same gaming group for that entire time.

Between them they organize the Rocky Mountain Savages, the largest RPG group in the Mountain West and coordinate RPGs for the largest tabletop conventions in the same region. They host the Savage Cast, a popular podcast and appear on several other media properties which promote gaming and the game community.

They just released *Buccaneer: Through Hell and High Water*, their first RPG gaming book and have multiple other projects in the pipeline for publication. Chris L has also done creative work for Electronic Arts, one of the largest video game companies, was the first person to solve all the puzzles in Dan Brown's The DaVinci Code, and ran a treasure hunting forum with tens of thousands of active participants. If the first step of being a Geek means being honest and open about the things that excite you and the things that you love, the second step is finding ways to integrate those passions in to your life and career.

## ANNOUNCEMENTS

### **Strategic Enrollment Plan: Town Hall Meeting**

On September 4-5 a national firm, Ruffalo Noel-Levitz (RNL) was on campus to do an intake assessment of the current state of recruitment, retention and enrollment at BHSU. Their findings were insightful and provide the baseline for further planning. On **October 30 from 3:30 PM - 4:30 PM in Meier Recital Hall**, Dawn Fortin Mattoon with RNL will present the results of the two-day assessment and share next steps in creating a strategic enrollment plan and conduct a comprehensive student satisfaction survey. A time for Q&A will follow. The entire campus community is invited so as to keep everyone informed of our work to improve enrollment at BHSU over the next several years.

### Make and Take Fundraiser for makeSPACE

Early bird tickets: <http://bit.ly/MakeTakeTickets>

Join makeSPACE on Saturday, Nov. 16th from 7-10 PM at Spearfish Brewing Company downtown Spearfish for an evening of beer tasting, live music and crafty exploration with "Make & Take" gifts crafted from upcycled bicycle parts. We invite everyone to come, socialize and enjoy the music.

Make & Take tickets entitle you to Spearfish Brewing Craft beer samples, light dessert, and one large or two small "make & take" craft items. We'll help you use our upcycled materials to create various styles of earrings, key chains, bottle openers, a coaster set or wind chime. All items are made from locally-sourced upcycled bicycle parts and make great gifts!

A portion of additional beer sales will be donated to makeSPACE made possible by the generous support of Spearfish Brewing Company located at 741 N. Main St. Spearfish, SD.

Doors open to all.

Live music performed by WJazz, Joel Adams, and Rodney Garnett from 8:30-10 PM

makeSPACE provides space in our community for all people to enjoy a just, healthy, and creative life.

Early bird ticket pricing ends on November 2nd. Early bird tickets:

### **Design a cup to showcase the BHSU-United Way partnership**

As a part of the 75th anniversary celebration for United Way, you are invited to design/decorate a United Way paper cup commemorating the impact of United Way. There are a few cups still available to decorate. Stop by the Marketing office (Woodburn 102) to get a to-go cup, decorate it, and return by Nov. 5th. There will be prizes! Then join us on Nov. 15 from 7-9 a.m. at City Brew when the United Way of the Northern Black Hills will host a coffee get together to celebrate 75 years.

Employees at BHSU have a legacy of supporting the United Way of the Northern Black Hills. All donations to the United Way are used locally to support non-profit organizations that improve our community. See <http://bit.ly/UWBH-Partnerships> for a list of agencies including the Spearfish Nutrition Site, Prairie Hills Transit, Artemis House, Kids Club Kids, and many more that receive United Way funds thanks to your support.

All employees will be receiving a contribution form in the mail in November. Please consider giving (by payroll deduct, check or pledge) to the United Way. Thanks for your generosity and all you do to make this such an amazing community.

### Student Satisfaction Survey

BHSU Students,

This week you will receive an official invitation to complete a Student Satisfaction Inventory.

Your feedback is so very important to BHSU as we strive to offer a positive living and learning environment for you on campus and in the community. Student feedback from this survey has led to campus improvements in the past including:

- Upgrading classrooms
- Expanding the Student Union
- Enhancing technology

Your voice is important; your participation in the survey can help build a better BHSU.

Every student who completes the Student Satisfaction Inventory will be eligible for a drawing for an Apple Surface or \$50 gift certificates from the BHSU Bookstore or A'viands Dining Services.

Thanks in advance for your feedback. Your input really does help to make positive changes at Black Hills State University.

### Stuff the Pantry

Did you know that according to national estimates, two in five students struggle with

food insecurity? To help combat this insecurity, the Campus Activities Board (CAB) is hosting a month long food drive. If you have something to give this holiday season, you can drop off food or monetary donations at the CAB desk in the Student Engagement and Leadership Center (SU 210). All donations will be given to the on-campus food pantry which is run by the BHSU Honor's Club and located in Humbert Hall on the ROTC side. If you have questions about the drive, please contact Justin Logue at 605-642-6608 or [Justin.Logue@BHSU.edu](mailto:Justin.Logue@BHSU.edu).

### **Stuff the Pantry**

Stuff the Pantry!

The Still Hungry and Homeless in College study found that 36% of university students experienced food insecurity in the past 30 days, including situations where students cut the size of their portions or skipped meals due to lack of funds. To help combat this insecurity, the Campus Activities Board (CAB) is hosting a food drive through the month of November. If you have something to give this holiday season, you can drop off food or monetary donations at the CAB desk in the Student Engagement and Leadership Center (SU 210). All donations will be given to the On-Campus food pantry which is run by the BHSU Honor's Club and located in Humbert Hall on the ROTC side. If you have questions about the drive, please contact Justin Logue at 605-642-6608 or [Justin.Logue@BHSU.edu](mailto:Justin.Logue@BHSU.edu).

### **Geek Speak: "A Brief History of Black Holes"**

Please join us for this week's Geek Speak: Nov. 14 at 4:00 p.m. in Jonas 110:

#### **Dr. Parthasarathi Nag - "A Brief History of Black Holes"**

With the recent [April, 10th, 2019] observation of a Black Hole in the center of the supergiant elliptical galaxy Messier 87 using an global array of radio X-ray telescopes known by Event Horizon Telescope it might be an appropriate time for briefly reviewing certain aspects of this object in general. Our story will start from the 18th century with mathematician Pierre-Simon Laplace who postulated using Newton's theory of gravity the first idea of a Black Hole. During the early 20th century mathematician David Hilbert and physicist Albert Einstein formulated the General Theory of Relativity. In a few months after the announcement of the result [1915], Karl Schwarzschild obtained a solution [in the middle of a trench during WW-I around 1916] to the Hilbert-Einstein equation which had an interesting aspect to it called "singularity". One of the consequence of this is an extremely warped space-time, so much so that even light cannot escape and we have a Black Hole. However, it was found by Arthur Eddington and Finkelstein that this is an "apparent singularity" and a Black Hole can be characterized along with the idea of a White Hole which could be the nature of Big Bang. These effects are still classical without any quantum effects till physicist Stephen Hawking and Jacob Bekenstein theorized that Black Holes should radiate which ultimately leads to a Black Hole evaporating. Along with this presentation on Black Hole we will also point out how this has influenced certain interesting paradoxes one of which is called the Information Paradox that has resulted into the "Black Hole War" between Stephen Hawking on one side and Gerard 't Hooft/Leonard Susskind on the other side.

### **Stuff the Pantry**

Food insecurity impacts student success. Martinez, Brown, and Ritchie (2016) found a correlation between GPA and food insecurity; those who had a 3.1 GPA or higher were 60% less likely to suffer from food security. CAB is sponsoring a food drive through the month of November to address food insecurity at BHSU. If you have something to give this holiday season, you can drop off food or monetary donations at the CAB desk in the Student Engagement and Leadership Center (SU 210). All donations will be given to the On-Campus food pantry which is run by the BHSU Honor's Club and located in Humbert Hall on the ROTC side. ### **Student Satisfaction Survey**

BHSU Students,

This week you will receive an official invitation to complete a Student Satisfaction Inventory.

Your feedback is so very important to BHSU as we strive to offer a positive living and learning environment for you on campus and in the community. Student feedback from this survey has led to campus improvements in the past including:

- Upgrading classrooms
- Expanding the Student Union
- Enhancing technology

Your voice is important; your participation in the survey can help build a better BHSU.

Every student who completes the Student Satisfaction Inventory will be eligible for a drawing for an Apple Surface or \$50 gift certificates from the BHSU Bookstore or A'viands Dining Services.

Thanks in advance for your feedback. Your input really does help to make positive changes at Black Hills State University.

Laurie Stenberg Nichols  
Interim President

For questions or feedback related to the Inventory, please contact

## Sudden Impact

Hello everyone! November 22nd and 23rd are the official dates for our annual Sudden Impact event.

What is Sudden Impact? It is an opportunity for BHSU's Creative Writing class to have their work performed and for students to both direct and act.

Actors and directors are wanted the 22nd at 4:00pm in the Black Box of Woodburn.

Students will write their name on a slip of paper and put it in the respective actor and/or director's hat. A professor will randomly assign a director to a script, and actors to a director. They then have 24 hours to prepare for their performance.

Performance day is the 23rd at 7:30pm in the Black Box of Woodburn. It is FREE for both students and community members.

Email [Bert.Juhrend@bhsu.edu](mailto:Bert.Juhrend@bhsu.edu) with any questions.

We hope to see everyone there!

## ANNOUNCEMENTS

### Stuff the Pantry

One study found that 59% of students struggling from food insecurity received at least one B grade (Woerden, Hruschka, & Bruening, 2018). Further, they found that if the students' food insecurity was addressed, that figured would decrease by 72% (Woerden, Hruschka, & Bruening, 2018). Food insecurity impacts student success. At BHSU, the Campus Activities Board (CAB) is hosting a food drive through the month of November. You can drop off food or monetary donations at the CAB desk in the Student Engagement and Leadership Center (SU 210). All donations will be given to the On-Campus food pantry which is run by the BHSU Honor's Club and located in Humbert Hall on the ROTC side. If you have questions about the drive, please contact Justin Logue at 605-642-6608 or [Justin.Logue@BHSU.edu](mailto:Justin.Logue@BHSU.edu).

### International Festival had over 200 in attendance!

Thank you to everyone who made [International Education Week](#) at BHSU a smashing success! The International Food Festival had over 200 guests in attendance as International students and staff served 21 different cultural dishes from 13 countries! We are already looking forward to next year where we will host the event in a bigger venue with more food offerings!

We wish to thank the following groups:

- Our Global Jackets for cooking amazing dishes from your home countries!

- Tourism & Hospitality Program for volunteering your support and time!
- CAB for assisting with funding!
- Joy Center for hosting us!
- BHSU Administrative team for support!
- Students, Faculty, Staff, and Community Members who came to donate funds and enjoy the samples!

We hope everyone enjoyed the delicious foods from around the world and will join us again next year! Cheers!

### **Crow Peak Community Meet & Greet for Small Business Revolution**

The Spearfish Chamber of Commerce invites you to help welcome the Small Business Revolution (SBR) crew to Spearfish on Dec. 4th from 4:30-6:30 p.m. at Crow Peak Brewing Company. Help us showcase our vibrant community spirit and tell the crew about BHSU while enjoying live music.

-----  
Background: Spearfish made the SBR Top 10 cities and is now in contention for \$500,000 and to be featured on Season 5 of the popular television show. SBR representatives are scheduled to visit Spearfish businesses Dec. 4-5.

Spearfish was nominated and chosen as a Top 10 Finalist from amongst thousands of cities. The coming weeks will determine which of the 10 cities will be chosen to receive \$500,000 to be integrated into the local business community.

Small Business Revolution, championed by Deluxe and hosted by Amanda Brinkman and Ty Pennington (they will not be the crew visiting Dec. 4), is a documentary series about the power of small business. Each season a single community is chosen by popular vote to receive guidance from industry experts and small business marketing specialists to invigorate downtowns and local businesses.

### Ruffalo Noel Levitz Strategic Enrollment Plan development process and working groups

BHSU is taking a number of steps to improve recruitment and retention with a goal of reversing a declining enrollment trend. A first initiative was to immediately address low retention rates that have fluctuated in recent years but have remained lower than our peers. A Retention Task Force was identified and this group has been working diligently to make a set of recommendations on improvements and changes that should be made to enhance retention of first year students (freshman to sophomore).

BHSU has also retained the services of Ruffalo Noel Levitz (RNL), a well-known higher education consulting firm, to create a long-term Strategic Enrollment Plan that will improve enrollment and retention.

There will be four phases to the Strategic Enrollment Plan:

1. Preparations and Data Analysis
2. Strategy Development
3. Goal Development
4. Implementation and Continuation

The framework has been established which includes a steering committee, a data team, and five working groups to consider areas of concern and explore possible opportunities.

Our RNL consultant will be back on campus Jan. 22 and 23 with a goal of working with each of the five working groups.

For more details on the RNL process and recommendations, a web page has been established and will be updated as progress continues. Please review the details [here](#). If

you have questions or suggestions, please reach out to the [Steering Committee or Working Group leaders](#). This is a campus wide effort. I'm confident that these initiatives will make a measurable improvement in both recruitment and retention for BHSU.

### **TRIO December Student of the Month**

Pasiensia Amador-Marez is an elementary education major with a minor in speech communication and an emphasis in theater from Scottsbluff Nebraska. She has always enjoyed the arts and loved putting on shows for her family when she was young. Pasiensia joined TRIO after finding out she qualified for the program. She believes the program provides her with a nice quiet place to study and allows her to feel comfortable when she needs help with classes. According to SSS advisor Summer DiGioia, "It is with great pleasure to nominate Pasiensia Amador-Marez for the Student of the Month Award. Working with Pasiensia over the last few semesters has been such a great positive experience! We are honored to have Pasiensia in our program and is such a wonderful positive individual to advise. Her hard work, perseverance, and dedication is not only recognized by me but others as well because she puts forth the effort and positivity in all she does and always has a smile on her face." Congratulations Pasiensia!

### Auditions for the musical "Bright Star"

Black Hills State University Music Department and Matthews Opera House announce auditions for Bright Star, a bluegrass musical written and composed by Steve Martin and Edie Brickell. Auditions are open to both student and community actors and musicians and will be held at Meier Hall (BHSU) on Monday and Thursday, Dec. 16 and 19 from 5 to 8 p.m.

Roles are available for ten feature characters plus ensemble. Roles are open to both male and female performers in a variety of ages from fifth grade through adult. Audition pieces can be obtained in advance from Dr. Nancy Roberts, Meier Hall, BHSU or at the Matthews Opera House gallery, located at 612 Main Street. Singers are welcome to prepare a piece of music of their choosing. Auditions can be heard by appointment to accommodate schedule conflicts with the audition times/dates. To schedule an outside audition, please contact Dr. Jonathan Nero at [Jonathan.Nero@BHSU.edu](mailto:Jonathan.Nero@BHSU.edu).

Instrumental roles are also available for piano, keyboard, guitar, mandolin, banjo, violin, upright bass, cello and percussion. Interested musicians should contact Dr. David Berberick at [David.Berberick@BHSU.edu](mailto:David.Berberick@BHSU.edu) or 605.642.6818.

Bright Star will be presented at the Matthews Opera House on February 21-23, 2020.

### **Fall 2020 Enrollment Update**

Following is an update with numbers, activities and initiatives related to enrollment for Fall 2020:

Numbers: New student goals are based on a combination of historical data, high school graduation projections, and regions showing population growth

Fall 2020 new student goal is 962, with the breakdown as follows:

600 first-time freshman, including 100 at BHRC

275 transfer students, including 100 at BHRC

600 High School Dual Credit

As of today, we have 672 new students admitted (not registered) for Fall 2020. New students will be able to start registering later in Spring 2020.

Recruitment Activities and Initiatives include:

Preview Days are scheduled for February 15 and April 3. Admissions representatives continue High School visits, and college fairs. A communication flow of digital and print, combined with personal phone calls, chat, and texting rounds out the Admissions activities. Campus Tours: Averaging around 15 students per week - many of whom bring 1-3 people with them. This is the opportunity to showcase our campus for new visitors and make a great first impression. Admissions is working with Marketing to create a

digital tour for the BHSU.edu website. It should be complete by summer 2020 and represent the diversity and multi-faceted opportunities BHSU offers its students.

Look for monthly enrollment updates.

### **BHSU launches Rapid City marketing campaign**

A BHSU-Rapid City marketing campaign is underway featuring student and alumni success stories to raise awareness of BHSU-RC academic programs and increase enrollment not only for Spring 2020 but also for Summer and Fall 2020.

The campaign includes digital billboards, online ads served to targeted demographics including geofencing of events and locations, Search Engine Marketing, Social Media and Pandora ads.

Student features released:

- **Dorothy Voorhees** was named Chief Financial Officer at Sentinel Federal Credit Union following her completion of the MBA program. [News Release](#) | [Video](#)
- **The Stratmeyer sisters**, McKayla and Brittney, chose to stay close to home to earn their degrees in Applied Health Sciences. [News Release](#) | [Video](#)
- **Brent Moe**, community services officer with the Rapid City Police Department, graduated this month after transferring credits from a two-year program at Western Dakota Tech into the BHSU Human Services bachelor's degree program. [News Release](#) | [Video](#)

Student features coming soon:

- **Cameron Moser-Asbjeld**, who transferred to BHSU-RC from WDT to pursue a Human Services degree, has new advancement possibilities as he earns his bachelor's degree.
- **Jaden Ostwald** came back home to Rapid City to earn her Applied Health Sciences degree.
- **Taylin Montague**, elementary and special education major from New Underwood, looks forward to returning to a rural area to teach after earning her degree.
- After serving six years in the U.S. Air Force, **Sam Stratman** chose to attend BHSU-Rapid City to earn his Psychology degree, using a part-time work-study job and his veteran's educational benefit to pay his education costs.
