HATS OFF TO YOU

*Class of 2022*

A BLACK HILLS STATE UNIVERSITY DEGREE

is defined by student success, academic excellence, innovation,  
and authenticity. Congratulations on this momentous day and  
best wishes for your next adventure!

# President's Message

BHSU President  
Dr. Laurie S. Nichols

Congratulations, graduates!

Today you make the transition from student to alumni. As you receive your diploma, I hope you feel a great sense of accomplishment and excitement. We are proud of you. Not only have you achieved much, but today you start a new chapter of life. I trust you will find---like I did---that your degree will open doors both professionally and personally. I encourage you to use your education wisely and take advantage of every opportunity that comes your way. If you do, there is no doubt that you will experience great success.

Please know that you will always be a Yellow Jacket; we want you to stay connected to BHSU. Come back often, keep in touch with friends and faculty, and offer your assistance to the next generation of Yellow Jackets who will follow you. A trait of a great university is an active and engaged alumni---be one!

Again, on behalf of the administration, faculty and staff of Black Hills State University, our most hearty congratulations. We can't wait to see all you accomplish!

*Laurie S. Nichols*

## HISTORY OF BHSU

As the only comprehensive university in western South Dakota, BHSU serves the entire region through outreach and service. BHSU has 3,425 students from 66 counties in South Dakota, 44 states, and 33 countries. Drawing upon our unique location and deep connection with the community, BHSU remains committed to ensuring academic excellence and an exceptional educational experience for all students.

The Dakota Territorial Legislature, meeting in 1881, passed an act establishing a Normal School in Spearfish. The school officially opened in 1883.

Over the next two decades, the curriculum expanded with the purpose of training teachers for the public schools. By 1924 the college was authorized to adopt a four-year curriculum leading to a bachelor's degree in education. Spearfish Normal School became informally known as Black Hills Teachers College. In 1941 the Legislature formally approved the name change to a teachers college.

During World War II, the college served as a training center for the U.S. Air Force. In the years following, the college achieved accreditation from the North Central Association, expanded its curriculum, began offering graduate work, and began a long-range building program. On July 1, 1964, the South Dakota State Legislature officially changed the name to Black Hills State College.

Enrollment grew throughout the following decades and the college received national accreditation. Construction of a new library and expansion of the academic program offerings established the college's future direction. On July 1, 1989, the State Legislature authorized a bill granting university status. Today the school is known as Black Hills State University and offers over 60 master's, bachelor's and associate's degrees.

The campus consists of 123 acres and 23 main buildings. The most recent additions to campus are the Joy (Proctor) Krautschun Alumni-Foundation Welcome Center, Bordeaux Residence Hall and Schallenkamp Amphitheater.

BHSU continues to seek opportunities for innovation, education, and research in conjunction with the Sanford Lab, in the former Homestake Mine in Lead, S.D. The BHSU Underground Campus is used by students and faculty at the 4,850-foot level of Sanford Lab. The Sanford Science Education Center, on the BHSU campus, serves as a direct link to the Sanford Lab.

The University has a second location, BHSU-Rapid City, which offers daytime, evening, and weekend courses in the state's second-largest city. BHSU also offers classes to the service members and their families on site at Ellsworth Air Force Base in Box Elder.

## THE UNIVERSITY MACE

The mace, which was commissioned during the University's Quasiquintennial year, was constructed by Lynn Fox, a carpenter at the University. The mace is made from the African mahogany wood salvaged from the bleachers in the former Cook Gymnasium that was built in 1953. Cook Gym, previously located south of the Library, was removed in 2003.

The BHSU Mace includes a metal inscription of the BHSU logo on either side. The top is a four-inch, flame-shaped glass finial with the green and gold colors of the University.

Historically, a mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. The mace later became a ceremonial symbol of leadership at academic processions.

## THE PRESIDENT'S MEDALLION

The President's Medallion, first worn in 2014, preserves and honors our legacy while looking to the future. The medallion features the University's seal which includes the iconic Arches that have become synonymous with BHSU's determination and "can-do" spirit.

The Arches are all that remain of one of the first campus buildings, Normal Hall, originally built in 1887 and nearly destroyed by a fire in 1925. The former entrance to Normal Hall, the Arches remain intact and are now part of Ida Henton Park. This sandstone archway is a link to our past and a symbolic entrance to the future for students as they embark on educational experiences that forever change them and their path in the world.

The outside circle of the seal goes even further into history to honor the Lakota people. The circular movement of the Medicine Wheel is divided into four gradient colors to signify the four directions (West, North, East, and South) and also represent the stages of life, seasons of the year, and elements of nature. The inner circle showcases the name of the University in bold text on green hue, the University's official color. The founding year, 1883, is placed in the center of the seal.

The links comprising the neck chain for the bronze President's Medallion are engraved with the names of all previous BHSU presidents.

# COMMENCEMENT DESIGNATIONS

The history of academic dress reaches far back into the earliest days of the oldest universities in Europe.

In modern times, academic attire serves a ceremonial and symbolic purpose. The design and colors of gowns and hoods reveal the degrees and the degree-granting institutions.

The square black mortarboard cap, worn flat on the head with one corner facing the front, has a tassel which may be either black or of the color assigned to the field of study, except that doctors in all fields may elect to wear a tassel of gold threads. Some institutions have adopted the use of the biretta.

The standard color of the robe is black. The bachelor's gown is a simple, unornamented robe with long pointed sleeves. The master's gown is more elaborate and many styles have slits in the oblong sleeves. The doctor's robe includes velvet and is ornamented with three bars on the bell-shaped sleeves.

The hood is lined with the official color or colors of the university that conferred the degree. The hood is bound or edged with velvet in widths of two, three, and five inches for the bachelor's, master's and doctor's degrees, respectively. The color of the binding or edging indicates the subject area of the degree: brown for business; light blue for education; and golden yellow for science.

## UNIVERSITY HONORS SCHOLAR

Students graduating from the University Honors Program have met the highest standards of achievement, enrichment, and service. Graduates complete one of three tracks: the Research Scholar, focusing on undergraduate research and creative scholarship; the University Scholar, a four-year comprehensive Honors program with an emphasis on undergraduate research and creative scholarship; and the International University Scholar, which requires a significant international experience in addition to the full curriculum. University Honors Scholars are recognized with a medallion on a green and gold ribbon.

## EXPLANATION OF HONOR ORGANIZATION DESIGNATIONS

Certain honor organizations have approved designated accessories for wear with academic regalia as follows:

Alpha Kappa Delta \_\_\_\_\_ Sociology \_\_\_\_\_ Teal Honor Cord  
Kappa Delta Pi \_\_\_\_\_ Education \_\_\_\_\_ Green and Purple Honor Cord  
Beta Gamma Sigma \_\_\_\_\_ Business \_\_\_\_\_ Royal Blue and Gold Honor Cord  
Phi Kappa Phi \_\_\_\_\_ All Disciplines \_\_\_\_\_ Blue and Gold Honor Cord  
Psi Chi \_\_\_\_\_ Psychology \_\_\_\_\_ Blue and Gold Honor Cord  
Military/Veteran \_\_\_\_\_ Red, White, and Blue Cord
