NOTICE: Construction Area

Notice: Contractors will be installing a construction worksite temporary fence between the west of the E.Y. Berry Library and Meier Hall. The fence will in place through June 1st. This fencing will create a boundary to protect pedestrians from being too close to the construction area. Facilities Services requests pedestrians and vehicles to use the road/sidewalk on the west side of Meier Hall.

Thank you for your patience and cooperation. Please contact Facilities Services or Public Safety for questions.
