# SOUTH DAKOTA BOARD OF REGENTS
## ACADEMIC AFFAIRS FORMS

# Accelerated Graduate Program Request

Use this form to request an accelerated graduate program and the appropriate required codes from the Enrollment Services Center. After the university President approves the proposal, submit a signed copy to the Executive Director through the system Chief Academic Officer.

| | |
|---|---|
| **UNIVERSITY:** | Choose an item. |
| **NAME AND DEGREE (e.g., BA, BS) OF UNDERGRADUATE PROGRAM:** | **BS in Business Administration, all Specializations** |
| **NAME AND DEGREE (e.g., MA, MS, PhD) OF GRADUATE PROGRAM:** | **Master in Business Administration in Applied Management** |

**University Approval**

*To the Board of Regents and the Executive Director: I certify that I have read this proposal, that I believe it to be accurate, and that it has been evaluated and approved as provided by university policy.*

Signed by: Pamela Carriveau 2DCA15688DAA4D8...

Vice President of Academic Affairs or President of the University

An accelerated graduate program for the purposes of this guideline is a graduate program at a Regental institution that allows a student to count courses for undergraduate and graduate credit simultaneously. Board Policy 2.4.2 – Course Level, Numbering, and Enrollment in Courses governs the transfer of courses between the undergraduate and graduate program.

Board of Regents Policy 2.2.2.1 – Seamless Transfer of Credit requires the Board of Regents to approve accelerated programs involving the transfer of thirteen (13) or more credits up to a total of twenty-five (25) total transfer credit hours at the accepting institution. In other words, an institution may create an accelerated program of one (1) to twelve (12) hours without Board approval. However, an accelerated program requires the creation of coding by the Enrollment Services Center (ESC) regardless of whether or not the accelerated program is accepting more than twelve (12) credit hours.

1. **Maximum number of credits allowed to transfer between undergraduate and graduate program:**

   6

2. **Is the response to Question 1 more than thirteen (13) credit hours?**

   Yes ☐ No ☒

(requires BOR approval) (does not require BOR approval)

3. **What is the proposed date (day/month/year) the accelerated program would begin?**

   August 2026

4. **Please provide a brief explanation of the accelerated program, including specific courses eligible for both the undergraduate and graduate program credit.**

   The BHSU College of Business BSBA/MBA accelerated program will allow qualified undergraduate business majors to complete both degrees concurrently over five years. Students may apply for MBA admission after completing 75 undergraduate credit hours and begin taking 600- and 700-level graduate courses during their senior year after reaching 90 undergraduate credits. Both degrees are awarded simultaneously upon completion of 144 total credit hours though early conferral of the undergraduate degree is available if needed. Students may count 6 credits of MBA coursework toward their undergraduate diploma.

   The program substitutes MBA courses for undergraduate general electives during the senior year. Students take graduate-level MBA courses in place of their remaining general elective requirements, allowing these courses to fulfill undergraduate degree requirements while simultaneously providing progress toward the MBA. Students must fulfill all BBA degree requirements as specified in the undergraduate catalog and all MBA degree requirements as outlined in the graduate catalog. This approach maintains the full credit hour requirements for both the undergraduate major/specialization and MBA while creating an efficient pathway to dual degree completion.

   All MBA prerequisites remain in effect, and students must maintain the equivalent of good standing in the MBA program to continue in the Accelerated MBA. The program maintains full academic rigor for both degrees while providing both time and cost efficiencies and flexible completion options for high-achieving students.

   Two 5-year plan options are included in this proposal that demonstrate the anticipated pathways: one where students maintain full-time undergraduate status through year 5, complete the undergraduate degree in spring of year 5, and finish the final MBA course in summer of year 5; and another where students complete the undergraduate degree in spring of year 4 and continue as full-time graduate students in year 5.
