BACHELOR OF SCIENCE (B.S.)

BEGIN YOUR MUSICAL JOURNEY

Black Hills State University is proud to be fully accredited by the National Association of Schools of Music. This means you will learn from excellent instructors in state of the art facilities who will support your learning through coursework, private instruction, and ensembles – they will go above and beyond to ensure your success. BHSU has nearly one hundred percent placement for our music education majors.

The Music Department is housed in Clare and Josef Meier Hall. Music facilities include a beautiful recital hall, private faculty and student studios, fully-equipped practice rooms with pianos, an electronic keyboard lab, large rehearsal rooms, and music classrooms.

The BHSU music program provides the diversity a student wants but the individual attention a student needs. Our growing music department offers majors in Music Education and Composite Music, as well as three different minors in music.

THE BHSU MUSIC MAJOR OFFERS:

» Highly talented and caring instructors
» A variety of music ensembles to choose from
» Opportunities to perform on campus and across the region
» State of the art music facilities in Meier Hall
