BLACK HILLS STATE UNIVERSITY

# SPANISH

BACHELOR OF SCIENCE IN EDUCATION (B.S.ED.)

## EXPAND YOUR LINGUISTICS SKILLS

Do you want to communicate proficiently in the Spanish language? Discover and learn about Hispanic-American culture? Travel and study abroad in Spain or in Latin American countries? Take advantage of internships and use your language skills in a professional environment? Majoring and/or minoring in Spanish provides you with all of the above opportunities. Moreover, the Spanish major and minor will prepare you for a variety of career opportunities.

**RECEIVE INDIVIDUAL ATTENTION** from highly qualified Spanish Instructors

**STUDY ABROAD** and create excellent connections

**PARTICIPATE** in a multi-cultural student Spanish club and internships where you can use your Spanish in context

**LEARN** with a Spanish language tutor on campus
